Memo

To: Member States
c.c.: Handicapping & Course Rating Committee
From: Simon Magdulski
Date: 3 March 2008
Subject: Delay of Increase to Maximum Australian Men's Handicap

Dear All,

Following the recent changes to the Board of Golf Australia, the Handicapping & Course Rating Committee has decided to defer decisions on any further adjustments to the Australian Handicapping & Course Rating Systems until after the Committee's next meeting in April.

As a result, a decision re increasing the maximum Australian Men's Handicap will be deferred until this time.

The April meeting will also include a wide-ranging discussion on the pathway for the development of the Australian Handicapping & Course Rating Systems.

We look forward to providing a further update following the April meeting.

Please let me know if you have any queries.

Kind regards,

Simon Magdulski
