# Greetings fellow social golfers!

Palm Meadows, Royal Pines Resort, Sanctuary Cove and Event HQ proudly invite you to the 4th Australian Social Golf Clubs Championship.

The event born from the camaraderie and goodwill that exists within the social golf club fraternity of fun loving sportsmen and women with a golfing habit!

The Championship is a chance for social golfers, social golf clubs and their members from across the country to unite together during four days of fun and games both on and off the course as well as the chance to be formally recognised for the contribution social golf has made to the swelling numbers of golfers in our fair land.

With the growth the Championship has enjoyed over the last three years, the "Green Jacket" in each division PLUS two new golf courses have been introduced this year as the event edges closer to its long term goal of 1000 Aussie social golfers converging in one place for a fun filled week of golf and general misbehaviour for which social golfers are famous for.

Spread the word to your fellow social golfers ... there will only be one place to be from Sunday 24th to Wednesday 27th August and that is on the sunny Gold Coast teeing it

up, playing it up and later talking it up with your old mates and your new ones.

Looking forward to welcoming you to social golf's version of the Masters!

Michelle Van den Broek  
Tournament Director

Sanctuary Cove

Royal Pines Resort

## TERMS & CONDITIONS OF ENTRY

1. No Astronauts were harmed in the production of this entry form.
2. All male and female Aussie golfers are welcome to enter whether you hold an official Golf Australia (herein noted as GA) or Golf Access Australia handicap (herein noted as GAA) or not.
3. Player's, partners and their guests are required to have a sensational time and are required to participate in the Championship in the true spirit of the game or you may be sent to your room!
4. Only golfers holding official handicaps are eligible for individual Championship titles and the "Green Jacket" in their respective division eg: Open Women, Men's A, B or C grade. Non handicap competitors will play in their own event for their own title.
5. Proof of handicap must be provided prior to play in your first round on Monday 25th August, 2008.
6. If you do not hold a Golfink card, you must present a letter from your club handicapper along with their contact details and the phone number of the club where your handicap is held (no exceptions). Failure to verify your handicap prior to play will result in disqualification from the Championship and you will automatically play in the non-handicap division.
7. No social golf club handicaps are permitted. Players without a handicap will be handicapped using the Double Parrier system by the match committee. It is a complex system from Japan, is accurate and will take the next two pages to explain. See the Tournament Director upon arrival if you have questions.
8. Individual championships will be played over 54 holes over three consecutive days with mens and ladies categories in each grade (pending on numbers). Play will be via a stroke event in A grade and a single stableford in B, C and women's divisions.
9. The green jacket will be awarded to the overall winner in each division and no longer the player with the most points over all three days.
10. The non-handicap event will be played over 54 holes over three consecutive days in one division.
11. Competition rounds shall be played on Monday 25th at Royal Pines Resort, Tuesday 26th at Sanctuary Cove and the final round on Wednesday 27th at Palm Meadows.
12. The practice round, which is included in your entry, is to be played on Sunday 24th August, 2008 only at one golf course of your choice (subject to availability). Transfers are not included for the practice round with transport to and from the course at the player's own expense. If playing in the afternoon please be mindful that your welcome cocktail party commences at 5pm at Palm Meadows clubhouse and you will miss out on the free food and grog if you are late. Please note: you are responsible for booking your own practise round.
13. The use of mobile phones is strictly forbidden during play or near the tee grounds during competition. Any player found to be using a mobile phone during play will be immediately disqualified as per the rules of golf and the Tournament Director shall confiscate your phone and proceed to download expensive ring-tones.
14. Apologies, but a full eclipse of the moon could not be arranged for this years event.
15. Play may be alternated between AM and PM shotgun starts at the discretion of the match committee during rounds one and two. The final round is a seeded draw in grades of the 1st tee. Should players have a little sleep in on the morning of the final round the Tournament Director chooses not to see any scary body bits this year and shall happily let you continue your nap.
16. Lunch is included during rounds one, two and three only. Should you lose your lunch ticket it will not be replaced. If it is stolen and you can point out the varmint please report them to the Tournament Director so he/she can help wash up. Complaints of any nature can be made directly to the Head Chef of the venue and not to Event HQ (he or she is the one in the kitchen with the big scary knives).
17. To be eligible to play in the Champion Social Golf Club Team Event, you must field a minimum of three players per team from the same social golf club. Team members must be bonafide members of the same club. Proof may be requested by the match committee. Clubs may enter as many teams as they wish eg: Palm Meadows A, Palm Meadows B, Palm Meadows C etc. The three best daily scores count overall. However, all four players will be awarded from the winning team. Players in each team must remain the same for the duration of the event. Team captains must advise the match committee of each team member's name prior to play in round one. The match committee will calculate each team's scores. No extra cards are required to be submitted by team captains.
18. Handicap adjustments (reductions only) in accordance with the current Australian handicapping system will be made after each round. It is solely the player's responsibility to play off the correct valid handicap in each round. Players must check their handicaps prior to play in each round or the player will be disqualified if playing from an incorrect handicap during any round of the Championship.
19. A maximum of two players from the same Social Golf Club may be drawn in the same group. Players from the same Social Golf Club are not permitted to mark each other's card. Should this arise, disqualification will occur and you will need to report to the Tournament Director for suitable punishment!
20. In the event of wet weather, Event HQ must pass any charges onto players (if any) that may be incurred from each golfing venue. Every effort will be made to return monies where possible, however this will be entirely based on the fees incurred by Event HQ on the day (if any). This is the decision of each golfing venue and not of Event HQ.
21. In the event of wet weather, the match committee will monitor the golf course and weather bureau closely then make a decision on the conditions in due time. Players patience is appreciated. Players are not permitted to leave the premises, must remain within the golf course boundary and must not return to their accommodation if the player wishes to remain eligible for the Championship and to continue play. Frolicking in the Japanese bathhouse is also discouraged (please refer to scary body parts in point # 15).
22. Approximately \$10K in prizes will be awarded during the Championship in accordance with the Rules of Golf closely observing the rules of amateur status.
23. Daily presentations will take place at the commencement of the following day's play. There will be no daily presentations following golf. Results will be posted at registration on the following morning.

26. Strict dress regulations will be in place for the gala presentation evening. Semi-formal attire is required. Jackets (tie optional, no leather jackets) for gentlemen. Keeping said jackets on during the evening is part of the conditions of entry (please refer again to point #15)
27. Prize winners are responsible for the collection of their prizes for all awards presented during the Championship from Palm Meadows pro shop. Prizes will be held for 30 days after the Championship and will be donated to charity after this time if not collected or sold on eBay to pay the grog bill!
28. There will be no playoffs in B, C or women's divisions. Should a playoff occur in the mens A grade division, players involved must be ready to take the course immediately a playoff is announced. If a player has departed the golf course boundary, the remaining player/s will either be deemed the winner or shall commence play (no exceptions). Winners in other divisions will be decided using the countback system. The countback will be taken from the last round played, then the second, then the first, the last nine holes and so forth until a winner is declared.
29. Ladies divisions: A grade = 0 to 20, B grade = 21 to 30, C grade = 31 to 45. The divisions may be altered pending on number of entries without notice and at the match committee's discretion. A division may be deleted if an inadequate number of competitors in each division enter the Championship. Please note there is a maximum handicap for women of 45.

32. Defending champions will play in the division in which they commence play on Monday 25th August despite being in a different division than that won the previous year (if applicable)
33. A grade will play from the blue tees, B and C grade will play from the white and ladies from the red.
34. The Championship will be conducted in accordance with the Rules of Golf in addition to local rules provided by Palm Meadows, Sanctuary Cove, Royal Pines Resort and Event HQ.

36. The early bird discount closes at 3pm Monday 30th June, 2008. The discount only applies to those players who have paid all fees in FULL by this date. After this time the discount does not apply and full fees are required.
37. Entry fees do not include accommodation, airport or practice round transfers, travel insurance, airfares, any incidentals, food or beverage outside of that outlined in this brochure. It does include a fantastic time. All figures quoted are based on a per person basis in Australian dollars and inclusive of GST.

Please keep in mind that these fees are charged by the NAB and NOT by choice of the Tournament Director, therefore any complaints can be directed to the NAB Customer Service Staff that will happily clarify this point for you. Event HQ strongly encourages players and their guests to use the electronic funds transfer (ET) option where NO fees are incurred.
46. The ladies luncheon has been arranged for Tuesday 26th August at Conrad Jupiters Casino in Broadbeach. Transfers are included and are to and from the Radisson Resort only. Male players who bombed in round 1 and 2 are not permitted to dress up and join the ladies as per last year or face the consequences from the Tournament Director which will involve wearing your outfit at the gala presentation night.
