

Audit & Risk Committee Charter

The Audit & Risk Committee plays a key role in assisting the Board to fulfil its corporate governance and overseeing responsibilities in relation to Golf Australia's statutory reporting, internal control systems, regulatory and compliance requirements, risk management systems (including insurance) and the internal & external audit functions.

It is important for the members of the Audit & Risk Committee & Board of Directors to recognize that delegation of responsibilities to a committee does not absolve the individual board directors of their director responsibilities.

Objectives

To assist the Board of Directors to discharge its responsibilities to ensure due care, diligence and skill in relation to the entity's:

- Reporting of statutory information
- Application of accounting policies
- Financial management
- Internal control systems
- Risk management (including insurance)
- Business policies & practices
- Protection of the entities assets (both fiscal & non-fiscal)
- Compliance with applicable laws, regulations, standards and best practice guidelines
- Ensure the independence of the external auditor and review external auditor recommendations

It is key for providing formal communication between the Board and senior financial management, improving efficiency of the Board by delegating tasks to the Audit & Risk Committee thus allowing more time for issues to be discussed in sufficient detail, improving the effectiveness of the internal audit functions and being the forum for improving communications between Board and the Auditors. It will also ensure the independence of the external auditor.

Structure & function

The following structure is recommended for the Golf Australia Audit & Risk Committee:

- A chair nominated from the Board with financial experience, but not the Chair of the Board. The chair shall prepare the minutes.
