“It’s all about capitalising on your opportunities.”

“Luck of the draw is a saying you can use at this course.”

“All the victories I have had so far, I’ve been very relaxed which helps.”

“Wind is your biggest opponent on this course and it does force you to second guess.”

“I happened to have a lot of good clubs in my hand and controlled the distance well today. Controlling the distance is something that I have done well recently.”

“On this course, it’s easy to make a mistake over something small.”

“I’m very respectful of this golf course and the weather that goes with it.”

“Even if you are going to make a mistake you have to be prepared to commit to it and execute it.”

“I’m swinging well- I wouldn’t say I was in the zone though.”

“I try to befriend each hole on this course each day.”

“The ball was shaking a little bit and as soon as you put your putter down, you are accountable.”

“The more I play like a kid, the better I feel..”

“The wind plays a role, confidence plays a role...”

On whether he can win:

“It’s going to take better golf from me and worse golf from Stuart.”

On the benefits of his caddy:

“My caddy does more for me than most caddies do. He comes to coaching sessions and tries to see through a coach’s eyes.”
