For golfers who play as a green fee player, for whom the clubs current insurance does not cover – the Player Liability insurance is available at a cost of \$1 per player. The club retains 50c and pass on 50c to GA.

The process is that interested clubs fill in the application form which is then sent to GA. Thereafter on a monthly basis a Service fee form is filled out that documents number of players, fee received and the GA service fee to be paid. Simply send relevant documentation and payment to GA via email or fax.
