

GolfSE Junior Programme 2011

Junior Development Programme

Continue on from the inaugural programme of 2010 with minor changes as below

1. Three lessons with PGA professionals for schools in the programme.
2. Golf clubs and community coaches introduce students to the course and play for a minimum of two hours.
3. Run three junior try golf clinics with PGA professionals. Three hours with pro's and then play the course assisted by community coaches / parents. Clinics planned for Robe, Millicent and Mt Gambier. These clinics where possible will be held before the clubs junior tournament.
4. Start a South East Golf Academy to coach promising juniors with a handicap of under twenty. Three hourly sessions playing on course with PGA pro;s. Sessions to be every two months at this stage possibly progressing to monthly. This academy is vital to develop juniors to progress to our representative teams and club pennant teams.
