From the PGA

JASON Day will be disappointed not to have won the Deutsche Bank Championship on 5th September, but he will be elated at his arrival on the world golf stage as an elite player.

His runner-up finish at the Deutsche Bank will lift him well into the world top 50 world rankings but should also assure him of a start in the top-30 US Tour Championship.

This top-30 US Tour ranking will give him the right to tee it up in any tournament he wants in 2011, including all of the majors.

This will be confirmed when the world rankings are updated post Deutsche Bank Championships.

Gosford Golf Club

Tuesday, 14 September 2010

Gosford Golf Club on the NSW Central Coast staged another successful fund-raiser for the Breast Cancer Institute of Australia today with some novel twists.

The Central Coast express newspaper reported that a club staff member donned a pink fairy costume and sold metre lengths of pink string which golfers could use to reposition their ball to advantage on the course.

The club's PGA professionals also hit shots on the 10th tee for participants for a gold coin donation.

Women's captain Annette Dunk said the club and its members were proud to be involved in the event.

About 350 golf clubs across Australia took part in the Breast Cancer Day.

Trophy No. 75 for Davies in Austria

England's **Laura Davies** collected her third Ladies European Tour title of the year with a thrilling victory at the UNIQA Ladies Open Presented by Raiffeisen in Austria on Sunday.

A final round of 2-under par 70 saw her edge ahead of Frenchwoman **Virginie Lagoutte-Clement** by one shot with England's **Melissa Reid** and America's **Alison Walshe** a further shot back in a tie for 3rd. Australia's **Nikki Garrett** birdied her final hole to move into outright 5th.

While Garrett didn't manage to make the birdies that were required on the final day, a final hole birdie saw her move into outright 5th and post her best finish of the season and her best result since the 2008 Open de Espana Feminino.

Rebecca Coakley and **Karen Lunn** were again both in contention this week, finishing tied for 6th while **Lynnette Brooky** made the cut finishing in a tie for 57th. More at http://www.alpg.com.au/index.php?page_id=380

Golf NSW - Special Offer

LineBreak Compression Sportswear: 40% discount

LineBreak is a global originator of compression sportswear and was the first company to combine the dual benefits of compression and thermoregulation into a single garment over seven years ago.

Their products have been the performance and recovery brand of choice for athletes and teams around the world including Hawthorn Football Club, Manchester United, Brumbies Rugby, Tour de France cyclist Robbie Hunter and the Penrith Panthers and they are now a proud sponsor of **Golf NSW** and the compression clothing provider to the State Men's and Women's teams.

As part of the Golf NSW sponsorship, they wish to announce a direct benefit to each and every member in the form of a special 40% discount to all players, friends and family. To illustrate the saving, a 40% discount on their full length tights reduces the price from \$120rrp to \$72 that, next to comparable brands in retail charging \$150RRP+, is a very attractive offer.

The LineBreak products benefit golfers in several ways. LineBreak Compression Tights improve circulation to your legs which delays fatigue and minimizes leg soreness. Worn after playing, you will also recover faster than normal. LineBreak undershirts help maintain your body temperature in hot and cold conditions by drawing and dispersing sweat to facilitate evaporation which keeps you cool in the heat and a quick-dry warm in the cold. Their compressive fit provides you with neurological feedback about your posture and how your swing is tracking which is a breakthrough in clothing technology.
