**TO: CLUB CAPTAINS (WOMEN)**

**FROM: MATCH COMMITTEE GOLF NSW (WOMEN)**

**RE: Amendments to Conditions of Play: Coronation Medal and Bronze Medallion 2010**

---

Taking into account the volatility of the new handicapping system the Committee has decided to remove reference to increases or decreases of handicap as per the original condition. The new condition will read

***“Provided her handicap falls within the prescribed limits at the time of entry a player whose handicap changes before the day of play of the event is eligible to play in the team but must play off her current handicap on the day of the event.”***
