2011 Foundation Day

Monday, 29th August 2011

An Invitation to Join Us

Please find enclosed information on our upcoming Glenelg Golf Club Foundation Day, to be played on Monday, 29th August 2011.

The Foundation Day is the Club's only major fundraising activity for the year, with all proceeds going towards our popular and highly successful Junior Development Program. This year, we hope to raise in excess of \$30,000 from the day, which will allow the Club to continue to foster junior golf and help develop our young players to become life-time members and strong contributors to the Club and the sport of golf.

You and your colleagues are invited to join us for a day of challenging golf, outstanding hospitality and a general all-round good time. This is the perfect opportunity to spoil your clients, staff or friends in an affordable and hassle free event. Leave the organisation to us and simply enjoy the day.

Sponsorship opportunities exist to allow your business to market your services to the Club's membership base and to network with other participants on the day. These opportunities are outlined in the enclosed brochure, along with other details for the day.

We are also seeking a variety of goods and services for inclusion in our Foundation Day Auction. Anything you or your business might be able to donate to the cause would be greatly appreciated.

Support has already been offered through our Event Partners, and their involvement will ensure the day is an outstanding success. You, too, can ensure that the 2011 Foundation Day is a great success by being involved and helping to support an important cause for the Club.

An application form is enclosed with this letter for you to complete and send through if you wish to be involved. Upon receipt of your application form, an invoice will be issued to you along with further information relating to your involvement on the day.

We look forward to welcoming you, your colleagues, friends and clients to Glenelg Golf Club for the 2011 Foundation Day. If you have any further questions about the event, do not hesitate to contact the Administration Office on (08) 8295 3793.

Yours sincerely
