2011 Australian Men's Senior Amateur Match Play Championship

CONDITIONS

1. Format

1.1 The Championship will be played in two sections at Thirteenth Beach Golf Links (Beach Course).

1.2 (i) The first section will be the Australian Men's Senior Match Play Championship and will be played over five (5) rounds of 18 holes elimination Match Play:

| | |
|----------------------|------------------|
| Round 1 (AM): | Monday 24 Oct |
| Round 2 (PM): | Monday 24 Oct |
| Quarter Finals (AM): | Tuesday 25 Oct |
| Semi Finals (PM): | Tuesday 25 Oct |
| Final (AM): | Wednesday 26 Oct |

The Championship will consist of successive rounds of match play, with losers being eliminated and winners progressing to the next round. The general numerical draw will be applied to establish the match pairings (based on the player's position on the 2011 Australian Men's Senior Ranking System after the Qld Senior Amateur) with the highest ranked player receiving the lowest available number, in accordance with the published Golf Australia procedure. If two or more players are tied in the Australian Ranking System, the player's exact Australian Handicap at the time of entry will be used, with the player with the lowest exact handicap receiving the lowest number available.

Once eliminated from the main Championship, all eliminated players will be drawn to play in additional match play draws which will ensure all players play all five (5) Rounds.

(iii) The second section will be the Australian Men's Senior Match Play Championship - Super Senior Section (for players aged 65 years and over as at 1 November 2010). The Super Senior Section will be played over three (3) rounds of 18 holes round robin match play (after the players are divided into two Pools), with the leading player in each Pool progressing to the Final:

| | |
|-----------------------------|-------------|
| Round 1 (Round Robin) (AM): | Mon 24 Oct |
| Round 2 (Round Robin) (PM): | Mon 24 Oct |
| Round 3 (Round Robin) (AM): | Tues 25 Oct |
| Final (AM): | Wed 26 Oct |

The Pools will be determined by the player's position in the 2011 Australian Men's Senior Ranking System after the Qld Senior Amateur, with player's ranked 1, 4, 5, and 8 constituting Pool A, and players ranked 2, 3, 6 and 7 constituting Pool B. If two or more players are tied in the Australian Ranking System, the player's exact Australian Handicap at the time of entry will be used, with the player with the lowest exact handicap receiving the lowest number available. Players in each Pool will play each other once, with the player in each Pool having won the most number of matches progressing to the Final. In the event that two or more players have the same number of wins, the result(s) of the match(es) between the tied players will be used to determine the winner. If still a tie, the number of holes won between the tied players in all matches will be used, and if still a tie, the Finalists will be determined by their original seeding within the Pools. Those players not progressing to the

Final will be drawn to play on the final day, with the second placed player from Pool A playing the second placed player from Pool B, and so on. In the event of a tie, the above procedure will be used.

1.3 In the event of a halved match in any round;

(i) players will continue to play until a winner is determined, and;

(ii) the round is deemed to extend to as many holes as are required for a match to be won.

1.4 The winner of the first section will be the *Australian Men's Senior Amateur Match Play Champion* and will receive the Championship gold medallion and hold the Championship Trophy for one year. The runner-up will receive a silver medallion. The third place getter (ie. the winner of the match between the losing semi-finalists) will receive a bronze medallion. The winner of the second section will be the *Australian Men's Senior Amateur Match Play Super Senior Champion* and will receive a gold medallion. The runner-up will receive a silver medallion. The third place getter (ie. the winner of the match between the two players who placed second in their respective Pool) will receive a bronze medallion.
