

2012 NSW MEN'S FOURBALL CHAMPIONSHIP

On behalf of Golf NSW, we would like to formally invite your club to participate in the 2012 NSW Men's Fourball Championship.

The NSW Men's Fourball Championship commenced in 1993 to provide a State event for the average club golfer. In 2011 there were a record number of participants, with over 9,235 pairs from 244 Clubs across the State competing.

The NSW Men's Fourball Championship is a competition in which two (2) competitors play as partners, each playing their own ball. The best score of the two players is the score for the hole.

There are three stages of competition. Stage One - the event commences at club level where a qualifying round is conducted (usually in conjunction with a scheduled fourball event). Stage Two - the leading pair (metro) or leading three pairs (country) then progress to a district or metro play-off. Stage Three - the winners of the 20 district play-offs and 20 pairs from the metro play-offs qualify to play in the State Final, which is a fantastic all expenses paid two-days of Golf at Bonville Golf Resort.

The key dates for the 2012 Championship are:

1 January 2012	Club qualifying rounds to commence
30 June 2012	Club qualifying rounds to be completed
9 August 2012	Metro finals to be completed
26 August 2012	District finals to be completed
9-12 October 2012	State Final (Bonville Golf Resort)
