

MYGolf Program Details

1. Log in to the Coordinator/Centre Zone of the MYGolf website using your designated username and password.
2. Click on “Manage my Centre” to access your Centre’s details.

3. Enter your Centre’s details into the “Program Details” area. Try to keep it simple by only providing the important details such as date of first session, program duration, time and cost.

4. Click the “Update Centre” button to save your new details and then log out.
5. Your program details will now appear as part of your Centre’s record in the “Find a Centre” function.
