**Re: Repeat Memo - 2012-2013 Affiliation Fees**

Dear Club Manager/Secretary

On the 5<sup>th</sup> April 2012 all affiliated clubs were sent a memo (copy enclosed) notifying details related to the 2012-2013 Affiliation Fee year.

Additionally, a new Affiliation Fee Notification Schedule was produced and sent to you at the same time to provide a much clearer picture of the timing, options and compliance responsibilities each club has insofar as the payment of affiliation fees is concerned.

This correspondence serves to repeat that information and to ensure all clubs have the facts and details well in advance of the deadlines.

For your information, each document is also displayed on the club login section of the website as a backup, so it can be accessed at any time and by other relevant people at each club. Clubs are reminded that should you choose or wish to pay the affiliation fee by instalments (*Conditions apply and they are clearly stated in the Affiliation Fee Notification Schedule – also enclosed*), they should do so prior to 30 June 2012.

Should any club still have any queries at all about this matter, please do not hesitate to contact the writer or Denise Rogers (CFO) of Golf NSW at any time.

Yours sincerely
