

Gordon Golf Club Limited

Since 1936

20th June 2012

Dear Golfers Club NSW/ACT Member,

Over the past few years Golf NSW has done a fine job in maintaining the Golfer's Club NSW/ACT in NSW as an entry level membership to golf in Sydney. After discussion between Golf NSW and Gordon Golf Club, Gordon Golf Club is now happy to take on the responsibility maintaining and hopefully expanding the program for the benefit of existing members and any new recruits which will come into the program.

Gordon GC sees that it can improve the existing program in a number of ways including the expansion of the competition program to be held at two golf courses being North Turramurra and Gordon golf courses as well as the introduction of a number of 9 hole competitions both midweek and weekend at both courses.

Given that the membership year finishes on 30th June 2012, Gordon GC would like to offer the following package for renewing members:

- 12 months membership to a social golf membership of Gordon GC.
- Official Golf Australia handicap for the full 12 months.
- Organised competitions at North Turramurra and Gordon golf courses on Wednesday's, Thursday's, Saturday's and Sunday's.
- A complementary dinner voucher for Gordon Golf Club Saturday night carvery which includes a glass of Robert Oatley Signature series wine.
- A voucher for one free clinic lesson held at Gordon GC by Head Teaching Professional Michael Gannon. (Clinics will be held on a monthly basis)
- Cost for one years membership is \$175 including GST.

Gordon GC looks forward to you continuing your golfing experience and giving you more options and great flexibility to enjoy your golf.

Should you have any questions or would like further information, please do not hesitate to contact me.

Yours sincerely,

Justin Waring
General Manager
