Chris mentioned that significant changes will be made in 2013 to regulations relating to Clubs and Boards. As a result of this Rob French from ClubsNSW will be our guest speaker at the next Council meeting on 27 June to discuss “Corporate Governance - Changes to Regulations in the Registered Clubs Act”.

## **2. Confirmation of Previous Minutes:**

Minutes of meeting held on 15<sup>th</sup> December were confirmed and accepted.

## **3. Business Arising:**

### **Action Items from Previous Meeting**

- **Junior Golf** – the workshop led by GA (Women in Sport) is focussed on participation levels for girls and women
- **HCR** – The list of clubs that have been rated under the new system is available online now.
- **JPO’s** – the Districts were reminded to send in the names of the JPO’s in their area to JNKG.

- **Club Mail** – This can be accessed online. Everything that was sent out with the last bulk mail (now called Club Mail) is now available online and we are currently restructuring the distribution lists to widen the receiver base. All representatives on our CRM database will be sent email advising of the new communications from us and this will be found on the website under the appropriate area.

4. **Chairman's Update:** The weather has had a huge impact on some golf clubs and Golf NSW is looking to help out clubs who are struggling due to the economic impact resulting from the wet weather, and other factors.

It was reported that Steven Pitt will be a guest at the Golf NSW Board meeting where discussion will take place in respect to affiliation fees and other matters.

#### 5. **Administration and Sub Committee Reports**

##### **Finance**

John Lock's finance report was circulated. John reported that we have a healthy balance sheet and expect a positive outcome of approximately \$100k at FYE.

It was noted that the proposed affiliation fee rate for 2012/13 will be \$39.60 inclusive of GST, for adults in the metropolitan area. This is an increase of 75c from a Golf NSW perspective on top of GA's increase of \$1.25. Given the drawn out payment of fees by many clubs this last financial year there will be a strict set of timelines for payment imposed that will be discussed at tomorrow's Board meeting.

It was reported that the 2012/13 budget will be advised to the Council ASAP. Tony Steele asked for a copy of the P&L to be included in future financial reporting to the Council. It was agreed that the Finance Committee will consider this request.

##### **Handicapping & Course Rating**

Lynne Ritchie's report was circulated.

Lynne advised that an audit is conducted on the figures reported by the rating teams after each exercise and she also reported that this audit process does take some time to complete.

Comment was made about course ratings being released as they are completed at each course, which does not create an even playing field as clubs which have been re-rated have higher ACR's/AWCR's. Lynne advised that GA had advised the states to release these when they were completed rather than wait until all courses had been rated.

It was mentioned that several clubs are currently underwater with the torrential rains that have been experienced across NSW. Chris Allen asked if clubs in this position could send photos to Golf NSW so the rest of the community can be kept informed about this.

##### **Men's & Women's Match**

The Men's and Women's Match Reports were circulated.

##### **Men's Match Report:**

Les Browne reported that the Match Committee has been looking at event venues for the next 5 years. He also mentioned that there has been issue with last minute cancellations by host clubs in Pennant competitions.

He noted that the NSW Boys Championship event is to be run by JNJG from 2013 and will be moving from October to July.

Junior Pennant and Eric Apperly Shield competitions have been re-vamped in an effort to encourage more clubs to compete and will move to July/August, from 2013. It was noted that the major changes were to include girls in Junior Pennant and to encourage Country Districts to enter teams, with a State Final.

It was reported that Golf NSW is keen to support country events by sending our elite players out to participate. Parkes and Coffs Harbour have shown interest in this program.

##### **Women's Match Report**

Sandra Gillies thanked Nicole Bessant (Golf NSW's Events Co-ordinator) for her contribution and mentioned how well she has fitted in.

## High Performance Review/Update

Darrell Watts reported that there have been two meetings held to date.

He noted that Matt Steiger has been suspended by GA for 6 months and Golf NSW has also suspended him from our program.

Callan O'Reilly has been added to the program following his recent successes.

The men's, women's, boy's and girl's State teams have been announced.

## Rules:

Frank Gal spoke to his Rules & Amateur Status Report which is located on the Golf NSW website under the Council login area.

## 6. Anti-Discrimination in Golf Clubs Workshop

Greg Mills introduced Brett Boon and Vivienne Young from Thompsons' Lawyers to the meeting to speak about Anti-Discrimination. Their presentation can be located on the website under the Council login section.

Anti-discrimination covers all levels re age, sex etc. It was suggested that clubs should carry insurance under their business package re discrimination claims.

Council members broke into groups and discussed a main anti-discrimination scenario as well as various issues that they have faced at some of their own clubs.

## 7. Governance and the Council:

### **7-1 Working Group Update re Role of Council**

Chairperson of the Working Group, Jean Moran, commented that large groups do not foster participation and that the first meeting was held this week to brainstorm ideas.

Council members were asked for their input into what they saw as the role of Council. She also asked for positive and negative feedback as to what happens in meetings.

Members of the working group are – Jean Moran, Michele Adair, John Benn, Bob Soper, Robyn Newey and David Byfield.

It is proposed to meet before each Council meeting.

It was asked if all Council Members could participate in a survey that will be distributed.

### **7-2 Update on Club Membership Initiatives**

Sue Fabian gave thanks to Mitsie Kent for her summary of the Membership workshop held in December.

It was agreed that Clubs should spend time on retention of existing members as well as seeking new members.

Sue referred to the club membership initiatives documentation which is available on the website, together with the presentation Greg Mills gave on the day.

Chris Allen gave thanks to Sue Fabian for the work put into the documentation. It was mentioned that this is for "thought provoking" purposes only and is not intended to be an instructional document.

### **7-3 Role of the Club Delegate**

Les Browne led discussions regarding the role of club delegate. This discussion emphasised the need for clarification of these roles in both Country and Metropolitan clubs, as well as clarification of the terms used for Country Delegates for Golf NSW and Country Representatives for the Country DGA's.

Greg Mills undertook to clarify these terms in upcoming data collection from Clubs.

### **7-4 Metropolitan Zones**

No Zone B meeting date has been set, but this will be in place in the next few weeks.

The Zone A meeting at Killara was successful and thanks was given to the Zone A Council members for their tireless work done to bring in 100 people from 29 clubs to attend this meeting.

Zone C also had a productive, but less formal meeting.
