Member clubs are advised that the East Leppington Precinct Plan is being exhibited for the period 18 July to 15 August 2012. The revised draft plan is available for viewing [here](#).

The proposed zoning of the East Leppington Precinct delivers capacity for approximately 3,000 new dwellings and 8,000 residents, as well as providing land for a school, local and neighbourhood centres to support the community, sporting fields, retail space and a public transport corridor.

ClubsNSW advises that the plan provides recreational land suitable for the development of registered clubs. To view the exhibition material, please click [here](#). ClubsNSW encourages Member Clubs interested in securing land in the precinct to put forward their views on the draft plan via the submission process.
