Beau Vernon

In late June, 23 year old Beau Vernon suffered a severe spinal injury playing for Leongatha Football Club. He was airlifted to Melbourne where it was discovered he had a dislocated C5 vertebrae and a fractured C6, this is a quadriplegia injury.

Beau, an extremely talented footballer, was the youngest player in the Gippsland Power's 2005 TAC Cup Premiership side. Played VFL seniors for Casey, trained at Richmond and Collingwood and won senior Best and Fairest at Phillip Island and Leongatha.

Life for Beau and his family has changed forever. With virtually no insurance forthcoming, Beau truly needs our financial support to help with the many life changing challenges ahead.

Beau's father Daryl and Steve Bann are good friends, attending primary and secondary school together, little athletics and local junior football. It was through Daryl's encouragement that Steve joined him in a school elective and started playing golf, going on to a successful career. The Vernon and Bann families are close friends and for this reason the group at Yarra Bend Golf Course which includes the Bann Lynch Golf team are proud to be supporting Beau by hosting a fund raising golf day.

All funds raised will go to "The Beau Vernon Fund".
