

Golf is a GREAT game

The benefits of having golf in your school –

1. Improvement in hand eye coordination and other fundamentals of movement
2. Diversifying from other “team” sports even though golf can be played in a team environment
3. Suitable for all students of all ages
4. A game that is easily broken into fun skills with the option of using modified equipment
5. Can be played inside and outside – so it does not matter what time of the year you give golf a go!
6. A chance to compete in the Darwin or Palmerston Region Interschool Challenge in late September or early October 2013 with the assistance of NT School Sports
7. Equipment (mats, rubber balls, 7 irons and putters) can be supplied and a FREE level 0 Community Leaders Course can be conducted over a two hour period

OR

Golf Professionals and staff from Golf NT can come to you and supply a service to your school at no cost.

If you would like to have a “golf experience” at your school please contact.
