POINTS SCORING SYSTEM

*The points system is based on two(2) points for a team win plus one(1) point for every game win.
1/2 point each for all square game after 18 holes.*

e.g. A 4/2 win would result in 2+4+6 points for the winning team and 2 points for the losing side.

In the case of a draw, say a washout, the teams will get 1 + 3 each = 4 points each.

A forfeit will be classed as a 4/2 win = 6 points

Semi Finals/ Final

In the event of 2 teams equal on points a count back will be held - first on games won - then on matches won to determine positions.
