

Enhancing Golf's Environmental Credibility and Meeting Community and Regulatory Expectations.

A joint initiative between The NSW Golf Course Superintendents' Association, Golf NSW, The Australian Golf Course Superintendents' Association, Golf Management Australia (NSW), Golf Australia, and The Environment Protection Authority **IS SET TO LAUNCH March 2013.**

The NSW Golf Course Superintendents Association and GolfNSW are seeking expressions of interest from Superintendents and clubs to join this initiative.

THIS IS AN EXPRESSION OF INTEREST ONLY AND DOES NOT COMMIT YOU OR YOUR CLUB TO THE MINIMUM STANDARD. JOINING DETAILS WILL BE PROVIDED AT A LATER DATE FOR THOSE WISHING TO PROCEED TO MEMBERSHIP.

- We are simply compiling a list of Clubs and Superintendents that wish to express their interest in joining the initiative so that we can forward plan the roll-out of the Minimum Standard and update the EPA.
- If you are a Superintendent and require approval from your Board or club management before committing to the initiative you can still register your interest in joining. You can join at a later date once you receive approval.
- An information video has been produced and is available at this link on You Tube at: <http://youtu.be/pKD8gWkrnuY>
- To record your interest in becoming a member of The Environmental Minimum Standard simply forward your Club name and contact details via email to admin@nswgcsa.com.au **BEFORE** February 22, 2013.
