Secretary Manager

Dear Sir

As President of NALG SA, I invite your club to assist in promoting an exciting initiative for your members who play golf left handed: a 'Lefties' State Wide **Winter Competition**, organized by our association.

Our association would like to encourage your left handed players to register for our **Winter Competition**. These players, male and female, are required to join NALG SA – application form attached. Fee: \$25.00. (Current NALG SA members are automatically entered into this competition).

Once your *leftie players* are members of NALG SA, *Golfink* scores from rounds of their regular home golf games are used to determine winners for our Winter Competition, held over the months of June, July and August.

Prizes are to be awarded monthly for the best four (4) stableford scores. An overall winner will be declared for the best eight (8) stableford scores over the Winter Competition months. Our **Winter Grand Prize Winner** will be presented at our **State Titles Dinner**, held at the conclusion of our **State Titles Championship**, this year to be played at The Grange Golf Club, East Course, on Sunday the 29th September.

It must be noted that members of NALG SA must hold current membership of a Golf Club. Our intention of this promotion is to provide:-

- a 'state-wide' competition for leftie golfers, thus promoting golf for 'lefties' inclusive of handicap
- increase the membership base of our SA Division, and
- provide an opportunity for left-handed golfers, as members of the SA Division, to be part of the National Association of Left-Handed Golfers, with yearly National Titles - this year held at Ballina, NSW during October (see www.nalg-nr.com.au)

Please find enclosed an information flyer and our joining form; these could be posted on your notice board, and /or in your proshop. Your club professional may be able to highlight this leftie event to those **rare left-handed players!**

../2

If your club has available an electronic news, I can e-mail our flyer so information could be available to your club members through this medium. Your club members can also check our web site: www.nalgsa.net for details.

Please do not hesitate to contact me if you have any questions. It is anticipated that a member of our committee or association will contact your club as a follow up to this promotion.

And in the interest of promoting golf, thank you for taking the time to peruse this letter.

Yours sincerely

Paul Smallman
President NALG SA
