3.2. **Composite Teams** are not permitted

3.3. **Entry into the Competition:** Clubs which wish to enter the Golf NSW Women’s Metropolitan Grade Competition and have not participated in Grade the previous year, will be requested to supply handicap information on players likely to participate, to indicate playing strength.

3.4. The Golf NSW Match Committee retains the right to exercise discretion in the areas of promotion, relegation, entry into the Grade Competition and allocation of new entries to a Grade and the number of players in a team.

3.5. Clubs will be included in the following year’s Grade unless they advise the Golf NSW Match Committee otherwise 1st June each year.

3.6. Inclusion in the Draw will confirm that the Club agrees with and will comply with the Conditions laid down by the Golf NSW Match Committee, and will host a round of the Competition.

4. ELIGIBILITY OF PLAYERS

- 4.1 Players must be female amateur golfers who are current financial members, in any playing category, of the Club they are to represent as at the first programmed round of the Women's Metropolitan Grade Competition in any year. Players must hold a current Australian Women's Handicap.
- 4.2 A player may play Junior Pennant for one Club, and then play Women's Metropolitan Grade for a different Club, provided they meet the eligibility criteria.
- 4.3 A player may not play in Women's Metropolitan Major Pennant and Grade for more than one Club in any one season.
- 4.4 If a player represents a Club in one season, she is ineligible to represent a different Club in the next season until or unless she has been a financial member of the new Club, with playing rights, for a minimum period of 3 months prior to the date of the first programmed round of the Competition.
- 4.5 A player may not play Women's Metropolitan Major Pennant and then in Grade for the same Club in any one season.
EXCEPTION: Approval will be granted by the Match Committee (please contact Graeme Phillipson – graeme.phillipson@golfnsw.org) for players who have participated in Women's Metropolitan Major Pennant to act as substitutes in Grade on the following basis: one substitute only will be permitted in a maximum of two Contests. Such approval should only be requested where a full team is unable to be fielded with its regular Metropolitan Grade players.
- 4.6 Any player who has her golf playing membership or handicap at the date of the Contest suspended by Golf NSW, any Club who is a member of Golf NSW, or a District Golf Association, is not eligible to participate.
- 4.7 ***Penalty – ineligible player***
The penalty for an ineligible player (or reserve player) competing in a Contest is forfeit of the specific Individual Match to the opposing Club

5. FORMAT OF PLAY

- 5.1. All Contests and Individual Matches will be played under the Rules of Golf, the Local Rules in operation at the Host Club and in accordance with these Conditions and the Golf NSW Standard Conditions of Play.
- 5.2. Each round provides Contests between clubs as programmed. Each Contest consists of five Individual Match played over 18 holes of match play without the benefit of handicap.
- 5.3. If an Individual Match is square after 18 holes, the Individual Match shall be declared halved. The Clubs participating in Women's Metropolitan Grade are generally divided into six (6) Divisions
- 5.4. Depending on the number of club entries the Grade competition consists of Contests played on a round robin format, with the home team having a bye.
- 5.5. The Contests are played as described above unless otherwise agreed to by the Golf NSW Match Committee to accommodate special circumstances (e.g. major course renovations).
- 5.6. It is preferred that Individual Matches be played as one match per time slot, however, they may be played 'in fours' if approved by the Golf NSW Match Committee.
- 5.7. Individual Matches are to be played from the women's tee markers as directed by the Host Club, but should be in Medal positions where possible.

6. DATES AND TIMES OF PLAY

- 6.1 Contests must be played on the dates and times fixed by the Golf NSW Match Committee. However:
(a) the Golf NSW Match Committee may alter the date of round at its sole and absolute discretion.
(b) any proposed changes by a Host Club to the date or times shown in the Draw must have the prior approval of the Golf NSW Match Committee or its nominee.
- 6.2 The confirmed dates for Grade in each year will be sent out when the Final Draw is published.
- 6.3 The Starting Times for each Contest shall be between 7.30am to 9.30am on Fridays.

6.4 Starting times of games must be strictly adhered to. All games are to start at the published time.

7. WITHDRAWAL OF CLUB AFTER DRAW COMPLETED

- 7.1 A Club may not withdraw, or fail to field a team, from the Women's Grade after the final draw has been compiled and circulated. Should there be one or more withdrawals after the final draw then the Match Committee reserves the right to issue a new draw. Any Club that withdraws from the Grade competition after the final draw has been compiled and circulated may be penalised at the discretion of the Golf NSW Match Committee.
- 7.2 In the event of one Club giving another Club a walkover, the former shall forfeit all points gained and is no longer permitted to participate in the Grade Competition for that year. All points gained by opposing clubs against this club will be cancelled.
- 7.3 Teams must not give their opponent a walkover if they are able to field at least three (3) players.
- 7.4 A club unable to field the minimum number, as in Condition 8.4, on the programmed date, **MUST FIRST INFORM GOLF NSW** by phone as soon as possible that it must give a walkover, and before contacting the host club or their opponent.
- 7.5 Once confirmed by phone with Golf NSW, official notification of a walkover must be made in writing (letter, fax or email) to Golf NSW, who will notify the Host club and opposing team. Once officially notified in writing, a walkover cannot be withdrawn.

8. NOMINATION OF TEAMS TO HOST CLUB

- 8.1. The Captain or Manager of each Club shall advise the official representative of the Host Club the names of the players in playing order, plus any Reserve, at least ten (10) minutes before the nominated starting time. The Team Nomination Sheet must also name the Team Manager and indicate if this person will also give advice to the team.
- 8.2. The playing position of each player shall be determined by the Captain or Manager of each Club (i.e. teams should be in order of ability / approximate handicap order).
- 8.3. If a Club fails to provide the Team Nomination Sheet by the time for commencement of the Contest, the penalty shall be the loss of the first programmed Individual Match. See Condition 10.2.
- 8.4. If a Club is unable to submit a full Team, the opposing Captain or Manager and the relevant Match Committee must be notified that the Team shall consist of a certain number of players. The Team will forfeit last place, and any other places, not represented. A forfeit, once notified, cannot be withdrawn. If the Captain of an opposing Team is notified of a forfeit, she may advise the player or players receiving the forfeit that they are not required to arrive at the course.

9. ADVICE

- 9.1 Permission to appoint one person as provided under the Note to Rule 8 in the Rules of Golf, is given.
- 9.2 The appointed person is to be identified to the relevant Match Committee in charge of the venue prior to the commencement of the Contest. A nomination of this advisor as a Team Manager on the Team Nomination form is sufficient notice for this purpose. The person nominated as team manager may also be a player, but must not give advice to other players in the team during his/her stipulated round. Penalty for breach of condition: Loss of hole by the team manager. Any player receiving advice in breach of this condition is also subject to penalty if he/she fails to take action to stop further breaches.
- 9.3 Only a player's caddy or the person nominated as per 9.2 may give advice. Team mates and spectators are not permitted to give advice to a player during their Individual Match.

10. ABSENCE OF PLAYER(S) AND RESERVES

- 10.1. If, after the names of Teams have been handed in, a player fails to appear or is unfit or otherwise unable to play, the Reserve player may take her place but she must play in the same team position as the player for whom she is substituting. If a Reserve player is substituting for another player named in the team, a notation must be made on the result sheet.
- 10.2. Players must start at the time established by the Committee.
Penalty for Breach of Rule 6-3a: If the player arrives at her starting point, ready to play, within five minutes after her starting time, the penalty for failure to start on time is loss of the first hole in match play. Otherwise, the penalty for breach of this Rule is disqualification. (Rule 6-3a). *Exception:* Where the Committee determines that exceptional circumstances have prevented the player from starting on time, there is no penalty.
- 10.3. Should the Reserve player in the Individual Match be required to take the place of an absent team member she must be ready and able to play at the time scheduled for the absent player's match. If the Reserve player is not ready to play as a substitute player at the appointed time then Rule 6-3a and the Exception to Rule 6-3a both apply.

11. ORDER OF PLAY

- 11.1. The Club that is listed first on the draw shall have the honour at the starting tee for all Individual Matches in that Contest.
- 11.2. Teams will hit-off in order beginning with the No. 5 players (generally the highest handicapped players) and concluding with the No.1 players hitting off last.

13. WINNER OF THE DIVISION

- 13.1. The Club in each Division of Grade that secures the greatest number of Contest Points is the winner of that Division. If two or more Clubs are tied on Contest Points then the Countback Procedures outlined below will apply.

14 COUNTBACK PROCEDURES

- 14.1 The following Countback Procedures apply in determining the order of places.
- 14.2 In the event that two or more Clubs have an equal number of Contest Points, the higher placed Club will be the Club with more Individual Match Points.
- 14.3 In the event that two or more Clubs have an equal number of Contest Points and an equal number of Individual Match Points the result of the Contest played between those tied teams will be used.
- 14.4 In the event that two or more Clubs have an equal number of Contest Points and an equal number of Individual Match Points and the Contest played between those two clubs was tied, the decision shall be reached by countback based on the results of the Individual Matches played in that contest, beginning with the result of Individual Match No 1. (That is whichever club won the No. 1 match wins the Division etc.)

- 15.3 **Ties for relegation:** Ties in Contest points for relegation will be determined according to the process outlined in Condition 14. In the event the Clubs did not play against each other during the competition (i.e. the Contest was abandoned or a winner not determined) the places will be determined by lot.
- 15.4 The Golf NSW Match Committee reserve the right to promote or relegate fewer or more teams than prescribed in 15.1, 15.2 and 15.3, depending upon circumstances.

16. SUSPENSION AND POSTPONEMENT OF PLAY

- 16.1 **Every effort should be made to play the Contests on the scheduled day and time.** If it is necessary to delay the commencement of play or suspend play because of weather conditions, play must not be suspended for the day until such time as it would not be possible for the last match to be concluded on that day. The decision on this matter rests with the responsible designated Match Committee of the Host Club(s). Where possible, the Host Club should confer with a Golf NSW Match Committee member or General Manager of Golf (Graeme Phillipson Mobile: 0416 057 965)
- 16.2 Course conditions, remaining time available and, of course, player safety should all be taken into account when considering whether to continue, suspend or cancel play for the day. Generally, the round should be played if at all possible, and should not be cancelled unless the course is closed or becomes, and remains, unplayable. It is recommended that the Host Captain consults with the Course Superintendent to assist in making such decisions. Unpleasant course conditions are not a reason for cancelling Grade.
- 16.3. Provided a minimum of 9 holes are available for play, in accordance with the Rules of Golf, then play should proceed. It is acceptable that a composite course be used, that preferred lies be in place, or bunkers be out of play, for example
- 16.4. If a Contest did not start or if it is not possible for a Contest to resume after a suspension of play, the result of the Contest and allocation of Contest Points and Individual Match Points shall be awarded as follows:
 - (a) If a Club has secured sufficient Individual Match Points (from completed Individual Matches) to win the Contest then the following points will be awarded:
 - i. two Contest Points for the winner of the Contest
 - ii. for completed matches - Individual Match Points to the winner of the respective match

- iii. for incomplete matches - Individual Match Points will be divided between the Clubs
- (b) If a Club has not secured sufficient Individual Match Points (from completed Individual Matches) to win the Contest then the following points will be awarded:

 - iii. for incomplete matches - Individual Match Points will be divided between the Clubs
- (c) The Golf NSW Match Committee reserves the right to make a decision in equity when it is impossible to complete one or more Contests in accordance with the Rules of Golf.

17. PRACTICE

- 17.1 Visiting or home teams may practice on the course on the day of the match prior to the nominated starting time, **only by permission of the Host Club**. This does not preclude use of the practice areas.
- 17.2 By arrangement with the Host Club, the Team may practice on a day prior to the day of the Contest.
- 17.3 Following the commencement of their Individual Matches, players may practise in accordance with Rule 7-2. However players should note that penalties may still be applied in accordance with Rule 6-7 to any player who unduly delays play by such actions.

18. DISTANCE MEASURING DEVICES

- 18.1 During Grade Competitions (irrespective of any Local Rule that may or may not be in effect at the Host Club), a player may obtain distance information by using a device that measures distance only. However, if during an Individual Match, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g. gradient, windspeed, temperature, etc), the player is in breach of Rule 14-3, for which the **penalty is disqualification**, regardless of whether any such additional functions are actually used.
- 18.2 The use of a mobile phone is prohibited by Condition 19. However, a Mobile Phone may be used as a Distance Measuring Device if it conforms to this Condition AND the 'Phone communication' facility of the Mobile Phone is turned off.

19. MOBILE PHONES

 - (a) Accidental ringing of phone – warning for 1st offence.
 - (b) A second offence is considered a Serious Breach of Etiquette and the player will be disqualified.

Note: The relevant Match Committee should refer to Decision 33-7/8 “Meaning of Serious Breach of Etiquette” on page 516 of the R&A Decisions on the Rules of Golf 2012-2013 for further guidance in determining whether any penalty of disqualification should be applied.

- 20.2. The following must be produced to gain exemption:
 - (a) A current (less than 12 months old) certificate or letter from a Medical Practitioner confirming medical practitioner’s opinion that the disability necessitates the player requiring the use of automotive locomotion in order to participate in Metropolitan Grade or
 - (b) In the case of a permanent disability a letter from the Secretary of the Club, confirming that the player does not participate in any games of golf at that Club except with the assistance of automotive locomotion; or

(c) In the case of a temporary disability a letter from the Secretary of the Club confirming that the player does not presently participate in any games of golf at the Club except with the assistance of automotive locomotion and nominating the period for which permission to use automotive locomotion is granted.

20.3. The Golf NSW Match Committee accepts no responsibility for the availability of transportation at venue Clubs, or as to whether or not permission is granted to use transportation, or as to whether or not the use of carts is permitted by the venue Club on the day.

20.4. The Golf NSW Match Committee authorises caddies to use transportation provided that, during the stipulated round:

(a) The player does not accept a ride at any time, unless authorised as in condition 20.1.

(b) The player does not accept advice from any other person travelling with the caddie.

20.5. **Penalty for breach of this Condition:** See penalty statement in the current Rules of Golf for breach of Transportation Condition.

21. PACE OF PLAY (SEE APPENDIX 2)

22. DRUG TESTING

22.1. All competitors may be subject to drug testing by the Australian Sports Anti-Doping Agency for banned substances as laid down in Golf Australia's Anti-Doping Policy. Any competitor infringing this policy, or refusing to take a test, will be disqualified and subject to any sanction(s) brought down by ASADA. Clarification of any medication can be obtained via the ASADA hotline – 1800 020 506, or from www.asada.gov.au.

22.2. Any additional penalty for use of banned substance(s) will be at the discretion of Golf NSW Match Committee.

23. CONSUMPTION OF ALCOHOL

23.1. The consumption of alcohol by players, caddies and team managers **during a match or on the course during their Contest** is strictly prohibited. The penalty for a breach of this Condition is:

(a) Breach by Player or Caddie - Suspension of Player from next Contest and a deduction of an Individual Match Point from the Team's accumulated season total.

(b) Breach by Team Manager - Suspension of Team Manager from next Contest and a deduction of an Individual Match Point from the Team's accumulated season total.

Note: The relevant Match Committee should refer to Decision 33-7/8 "Meaning of Serious Breach of Etiquette" on page 516 of the R&A Decisions on the Rules of Golf 2012-2013 for further guidance in determining whether any penalty of disqualification should be applied.

24. CODE OF CONDUCT

24.1. The current Golf NSW Code of Conduct applies to all players participating in Metropolitan Grade

24.2. Breaches of the Golf NSW' Code of Conduct reported during Metropolitan Grade shall be subject to action by Golf NSW Match Committee under its disciplinary procedures contained in the Code of Conduct. The Golf NSW Code of Conduct and disciplinary process is available from the Golf NSW website at www.golfnsw.org

25. PROTESTS

25.1. Within two (2) business days after each match (i.e. by c.o.b. on Tuesday of the week following the Contest), the protesting Club must notify the Golf NSW Match Committee **in writing** of any protest or matter which is considered in breach of the Conditions. Such written notification will be deemed to be a protest and must be made by the Club Captain or her authorised representative.

- 25.2. The Club lodging the protest MUST also provide a copy of the protest to the Host Club where the Contest was played and to the opposing Team's Women's Captain on the same day it is lodged with the Golf NSW Match Committee.
- 25.3. The Golf NSW Match Committee may contact the Club(s) concerned seeking a statement of facts to be supplied by a fixed date. The matter will then be considered and dealt with by the Golf NSW Match Committee at its discretion. The Golf NSW Match Committee may take further evidence as required.
- 25.4. A decision given by the Golf NSW Match Committee or its appointed delegate(s) on any protest by any competing Club will be considered final and binding on all competing Clubs.

26. BY-LAWS, CLUB RULES AND DRESS REGULATIONS

- 26.1. The By-laws, Club rules and dress regulations of the Host Club shall apply.

27. MISCELLANEOUS PROVISIONS

Results and Ladders

- 27.1 All Grade results, ladders and feature articles on Metropolitan Grade can be found on the Golf NSW Website at www.golfnsw.org

Equipment

- 27.2 It is recommended that Team Managers check with host Clubs prior to the Contest and enquire whether a condition requiring buggies to be equipped with wide wheels or a restriction relating to metal spikes in golf shoes applies.

Sponsor's Logos

- 27.3. A Sponsor's Logo is acceptable provided it appears only once on each piece of the player's clothing. The logo must not exceed a perimeter measurement of 220 mm (this does not include the Club logo)

28. HOST CLUB RESPONSIBILITIES

When hosting a Women's Metropolitan Grade competition, the preferred time is early Friday morning. If there is member or social play ahead of the Grade Contests, Clubs should program the member's competition on the day to be a Par or Stableford event to promote minimal round times.

All visiting competitors should be honorary members of the Host Club for the day.

Each Host Club is to provide a simple lunch (e.g. sandwich, tea and coffee) for all team managers, players and caddies.

For the final round Golf NSW will pay the Host Club for any additional attendees to the luncheon (the Women's President and Captain of each participating Club, plus Golf NSW Officials).

Buffer Zones

It is a Condition that the Host Club provides a minimum buffer zone of 30 minutes.

Penalty: As determined by the Golf NSW Match Committee.

Course presentation

It is expected that each Club involved in Metropolitan Grade will present its course in a condition of the high standard that this elite competition deserves.

The course set-up should be no harder than that used for club medal day competition.

The Golf Australia guidelines regarding hole positions should be strongly adhered to for all Metropolitan Grade contests, particularly on days of inclement weather. The guidelines provide the following advice:

- The hole should be positioned at least four metres from any edge of the green. If a bunker is close to the edge, or if the ground slopes away from the edge, the distance should be greater.
- An area of two or three feet around the hole should be as level as possible. Effort should be made to ensure holes are not positioned within three metres of a very severe slope or ridge or of a recently cut hole.
- Consider the condition of nearby turf, especially taking care to avoid old plug holes.
- Ensure there is a balanced selection of holes for the entire course with respect to left, right, central, front and back positions.

Match Committee

It is the responsibility of the Host Club to see that at least one or preferably two members of their Committee (constituting the Match Committee for the day unless otherwise stated) are available during play, to ensure that the Conditions are adhered to, and to adjudicate on any queries that may be raised. A participant (player, caddie, team advisor or manager) cannot be a member of this Match Committee.

The Match Committee is responsible for:

- Ensuring that matches commence on time and remain on time
- Monitoring pace of play (and issuing penalties as required)
- Adjudicating on any Rule of Golf or these Conditions, where delegated to do so.

The Match Committee should ensure that they have a copy of these Conditions with them.

Any decision on Rules will be given by the Match Committee of the Host Club, and any decision so given will be final.

Results

It is the responsibility of the Host Club to:

- Notify AAP (ph: 9322 8000) of the results.
- Fax (fax: 9505 9199) or email (jon.shineberg@golfnsw.org) the result sheet to Golf NSW immediately after the completion of all Contests.

APPENDIX 1

REFEREES (ROVING RULES OFFICIALS)

When referees are watching play through having been assigned to a particular place on the course, their duties are different from those of a referee assigned to accompany a match. In match play, the players in a particular match are there to protect their own interests. A referee who is not assigned to accompany a match has no authority to intervene in a match other than in relation to Rule 1-3 (Agreement to Waive Rules), 6-7 (Undue Delay; Slow Play) or 33-7 (Disqualification Penalty; Committee Discretion). The referee's presence on the course is solely to assist players in the event of a claim – see Rule 2-5. His handling of the situation will depend on whether the Committee has granted individual members unlimited authority to represent the Committee and make final decisions. This is an issue that the Committee should clarify in advance. However, deferring a decision should be resorted to only in exceptional circumstances since it is a principle of match play that each side is entitled to know the state of the match at all times.

APPENDIX 2 - PACE OF PLAY

Each match must maintain its position on the course with respect to the match preceding it and maintain the time requirement specified on the Pace of Play Time Chart issued to players at the course. If a time chart is not issued, the following time schedule for the completion of each hole applies:

Par 3 Holes	11 minutes
Par 4 Holes	13 minutes
Par 5 Holes	15 minutes

In exceptional circumstances (such as extreme weather/playing conditions), the Match Committee has the authority to extend this time requirement.

The first match to start will be considered out of position if, at any time during the round, the group is behind the cumulative time prescribed by the above time schedule. Any following match will be considered out of position if it (a) is taking more than the allotted time to play and (b) reaches the tee of a par-3 hole and the preceding group has cleared the next tee; reaches the tee of a par-4 hole and the putting green is clear; or reaches the tee of a par-5 hole when the preceding group is on the putting green. Both (a) and (b) must apply for a group to be out of position.

Pace of Play Penalties – Match Play

An out of position match may be monitored and timed. Anytime a match is being monitored and timed they will be notified of such timing by a Match Committee representative or a Rules Official.

The following are the penalties, in sequence, for any player in a match being timed who takes more than the allotted time (see below) to play a stroke after timing of the player's stroke begins:

1st breach – warning 2nd breach – loss of hole 3rd breach – 2nd warning 4th breach – disqualification

Timing

When a match is being monitored and timed each player is expected to play any stroke within **40 seconds** after timing of the player's stroke begins.

Other than on the putting green, the timing of a player's stroke will begin when he has had a reasonable opportunity to reach his ball, it is his turn to play and he can play without interference or distraction. Time spent determining yardage will count as part of the time taken for the next stroke.

On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments from his line of putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as part of the time taken for the next stroke.

Repeated infringements of the pace of play guidelines will be referred to the Golf NSW Match Committee for further consideration and may see a player subject to further action including suspension from further representation of his Club for the season.

NOTE 1: The Committee reserves the right, at any time, to monitor or time a group/match when the Committee deems it necessary. Players should also be aware that the Committee may assess a “bad time” to a player in a match that is out of position if the player makes no effort to help his match get back in position. An example of this would be a player who unduly delays play between shots.

NOTE 2: If the match in question regains its proper position, any previous breach of these guidelines will be carried over for the remainder of that stipulated round in the event that the match requires additional monitoring.
