

# GIVE GOLF A GO!

Golf Tasmania will work with any member club to provide 'Come and Try' Days at their club. Golf Tasmania will provide a contribution of \$200 to the club for use in meeting the costs of promoting or running the event.

Clubs can apply for the funds by providing a summary of the planned event, including date, time, how it is expected to be promoted, target outcomes and a summary budget.

Following the event Golf Tasmania also requires a brief report including

- Number and demographic of attendees.
- If/how the targets were met
- Any further/follow up activities are planned
