MEMORANDUM

MEMO TO: All Clubs and Area Associations

MEMO FROM: Helen Langenberg, Chair

DATE: 1 November 2013

SUBJECT: Golf Tasmania Governance and Structure Review Update #4

Over the past few months Richard Redman of Lander & Rogers (L&R) has conducted six open forums across the state. Richard has advised that although attendance at a number of the forums was limited in number, he has received valuable feedback. This stage of the review is now complete and on behalf of the Board I would like to thank those who did attend for their interest and participation in shaping the future of golf in Tasmania.

The next stage of the review process is the release of a survey questionnaire to allow additional input and feedback to assist L&R to prepare a report and recommendations. The survey questions have been developed following the forums and reflect the general topics and issues raised.

The Survey can be completed on-line either by direct access the survey via this link (<https://www.surveymonkey.com/s/GolfTasmania>) or via the link on the Golf Tasmania review web page accessible from www.golftasmania.org.au. In addition the survey can be downloaded (in pdf format), completed and emailed or mailed back to L&R. Regardless of the method of completion, all respondents are guaranteed that feedback will not be attributed to an individual in any reports.

The Survey will remain open until 01/12/2013 when all feedback will be compiled into a report and recommendations which L&R will provide to Golf Tasmania early in the new-year. We ask that all clubs forward the attached survey covering letter and survey details directly on to your members.

Although it has not been possible to adhere to all the indicative timeframes within the original proposal, the Board and I consider the extra time taken has ensured the project scope and review process is robust and will mean the final report and recommendations will be of both short and long term value for our sport.

It is still anticipated that the Golf Tasmania 2014 AGM will be held during March/April and will include the outcomes of the report and its recommendations as items of business.

Please contact Craig French in the GT office during working hours if you wish to discuss the review or if you have any questions.

Regards
Helen Langenberg
Chair Golf Tasmania
