

Junior Golf Clinics Term 1, 2014

The Kooyonga Golf Club is committed to designing golf clinics that foster the enjoyment and appreciation of the game of golf. Kooyonga runs a golf program for juniors on Sunday mornings during each school term. Any person under the age of 18 years is invited to attend the junior golf clinics at Kooyonga. Commencing on 2 February 2014 there will be two sessions run on each Sunday morning during the first school term. The first session (8.45am to 9.45am) is designed for juniors who enjoy waking up early or have little or no golf course experience and the second session (9.30am to 10.30am) is primarily for juniors with golf course experience. Each session will run for one hour. The first 15 minutes of the session will include stretching, development of motor skills and short game activities. Following the warm up, the session will focus on one of the six key skills of the game: long shots, pitching, chipping, bunker shots, putting and manoeuvring the ball. A schedule for the clinics is attached. The fees for Term 1, 2014 are \$70 per child for non Kooyonga Junior Members. Please note places in the clinics are limited.

The golf clinics at Kooyonga Golf Club incorporate the MYGolf National Skills Challenge & Awards Program which provides a pathway for boys and girls aged 8 - 16 years to develop the key skills of golf. The program is coordinated by Golf Australia and endorsed by famous Australian golfers, Greg Norman and Karrie Webb. Kooyonga Golf Club is a registered MYGolf Centre and juniors are able to join MYGolf through Kooyonga. There is a one off joining fee of \$33 which includes a bag tag, membership card, skills challenge chart, prepare to launch booklet, personal liability insurance and access to a personal MYGolf profile page with games, videos and junior resources.

Juniors who participate in golf clinics at Kooyonga and who wish to progress their skills and involvement in golf will be provided with opportunities to do so at the Club through additional clinics and on course activities. If you wish to find out more about junior golf at Kooyonga please contact the Kooyonga Golf Club office by telephone (08) 8532 5444 or email susie@kooyongagolf.com.au.

Please note that junior clinic participants and caregivers are expected to behave and dress in a manner which will maintain the standards and traditions of the Kooyonga Golf Club. There must be compliance with off course etiquette and dress standards: denim jeans, track pants and shirts with no collars are not permitted. Golf shoes with soft sprigs must be worn on the course and on the putting green (if golf shoes are not available sneakers are acceptable). Junior golfers are encouraged to bring a hat, sunscreen and a water bottle as well as to wear sun protective clothing to the golf clinics. Non-member caregivers are not permitted to practice before, during or after the clinics and children not participating in the clinics must be supervised.

The Kooyonga Golf Club supports a child safe environment and parents are welcome to view the Club's Child Protection Policy on the Kooyonga Golf Club website or by requesting a copy from the office.

To participate in the 2014 Term 1 junior golf clinics at Kooyonga, please return the enrolment form together with your payment prior to Sunday 2 February 2014. I look forward to seeing you at the junior golf clinics in 2014. If you have any questions, please do not hesitate to contact me.
