Golf in Schools Program

play golf

Golf SA is the peak body for the sport of Golf in South Australia and its charter is to develop and grow participation in the game. We do this through a number of programs designed for delivery through schools which includes **Skill Development** and **Teacher Training**.

Skill Development programs are:

- **"MYGolf"** is the official national program designed for School or Club delivery. It has two programs **"Schools 1"** which has been developed for Primary Schools and **"School 2"** for Secondary. There are supporting delivery manuals and kits available for both programs. Teacher friendly manuals are key to its delivery.
- **Golf SA** and its Development Staff do deliver programs in Schools, enquiries welcome.
- **School Excursions** to North Adelaide Golf Course Facility, with three courses Golf SA can design a day to suit all abilities at very reasonable pricing.

Teacher Training

- **Community Golf Leader** program has been developed by Golf Australia and the Australian Sports Commission for Teachers.
- **Golf SA** will come to your School and train your PE department in the *MYGolf* Program and its skill delivery system. Visits by appointment only.
- **Golf SA** also holds annual Teacher Training Days at a golf course venue.
- Upon attending a training day and course completion, participant accreditation is lodged with the Australian Sports Commission and Golf Australia.
- Participants will receive a Coaches Card stating qualification details and a Golf SA Certificate.

Training & Assessment Fee = \$70.00 per person which includes an information pack including the MYGolf 1 or 2 Manual, registration lodgment with ASC and Golf Australia. Participants may be eligible for fee reimbursement from their School as part of teacher development programs. Check with School.

All enquiries to Allan Telford at Golf SA: allan@golfsa.com.au
