General Information

The April school holiday junior golf clinics will be open to boys and girls aged up to 17 years and will cater for all levels. The clinics will be designed to foster enjoyment and appreciation of the game of golf and will incorporate the MYGolf Junior Development Program. Safety is a primary consideration; participants are to be mindful when swinging a golf club and must maintain a safe distance from others. The Kooyonga Golf Club etiquette and dress standard requirements must be adhered to; denim jeans, track pants and shirts with no collars are not permitted. Junior golfers are encouraged to bring a hat, sunscreen and a water bottle as well as to wear sun protective clothing to the clinic. Non-member caregivers are not permitted to practice before, during or after the clinics and children not participating in the clinics must be supervised. The Kooyonga Golf Club supports a child safe environment and parents are welcome to view the Club's Child Protection Policy on The Kooyonga Golf Club website or by requesting a copy from the office. Please note places in the clinics are limited and golf clubs will be supplied (if required).
