ATTACHMENT 1

Round Results will carry the following points:

- (a) A team win will result in the winning team being awarded one (1) **contest**.
- (b) A draw between two teams (i.e. 2 ½ or 3 ½ **matches** each) will result in each team being awarded half (0.5) of a **contest**.
- (c) An individual win or walkover will result in the winning team being awarded one (1) **match**.
- (d) An individual match which is square at the 18th hole shall be scored as a draw (sq) and each team awarded half (0.5) of a **match**.

Ladders will be calculated in the following manner:

- (a) Teams will be positioned on their respective Ladder by **Total Contests**.
- (b) **Total Matches** will be used to determine the position of teams tied on **Total Contests**.
- (c) If **Total Contests** and **Total Matches** are tied, holes are then used to determine a team's position on the ladder.

Holes are awarded as follows:

For an individual match all square - nil

For a match ending on the 18th, i.e. 1 or 2 up a team gets +1 holes (-1 for the defeated players side)

For a match ending on the 17th, i.e. 2/1 or 3/1 a team gets +2 holes (-2 for the defeated side)

For a match ending on the 16th i.e. 3/2 a team gets +3 holes (-3 for the defeated side)

For a match ending on the 13th, i.e. 6/5 a team gets +6 holes (-6 for the defeated side)

The concept of rewarding a team for the margin of their defeat of the opposing side was introduced to help decide count back situations whereby teams may be tied on matches and individual games won. However to prevent the situation whereby a player may have already lost the game but needed to finish the hole to determine whether the game was lost say 2/1 or 3/1, it was determined, to maintain the ethics of the game, that for the purpose of determining count backs, that the hole on which the match finished, rather than the match result, would determine what has become known as the "holes". Hence a match finishing on the 18th or beyond is awarded 1 hole, a game finishing on the 17th is awarded 2 holes etc so a match result of 10/8 is awarded 9 holes, 6/4 is awarded 5 holes.

Notes for All Team Managers and Host Clubs

1. Dress Regulations

All players, caddies and officials are required to observe the dress standards set down by host clubs. At all venues neat golfing attire, including non-golf shoes, would be accepted at after match functions in clubrooms.

2. Course Regulations and Care

It is the responsibility of all players to observe their obligations as guests when playing away from their own club and to inform their caddies of any such obligations.

3. Practice

There is no '...free...' practice round prior to a pennant day including any Finals. However, this does not preclude the normal member/visitor relationship adopted by clubs on payment of green fees.

4. Slow Play

Slow players will receive warnings and penalties if warranted.

5. Match Times and Starters

Players are to be made aware of the times as per the draw sheet including:

- Starting tee for their match
- Different time arrangements that may apply at some clubs

It is most important that clubs advise their players to allow sufficient time to reach starting tees and ensure that they are ready to play on time.

6. Rules Officials

All players are encouraged to carry a current Rules of Golf book. If a doubt or dispute arises between the players, a player may make a claim. If no duly authorised representative of the Committee is available within a reasonable time, the players must continue the match without delay.

Rule 2-5 applies.

Responsibilities of the Host Club

1. Starters

Host clubs are responsible for providing a starter for each tee as per the scheduled draw or other approved times and advise starters of starting tee number plus provide them with team lists (1 to 7) and local rules sheets if applicable.

2. Results Board

It would be appropriate for the results of matches to be placed on a notice board adjacent the Professional Shop.

3. Local Rules

A sheet of local rules should be prepared by the host club and provided to each Tee Starter for handing to players/officials prior to the start of each match.

4. Envelopes

Host clubs are to have 'Envelopes' available from the Pro Shop to be collected by visiting club Managers. Envelopes are to contain information such as Local Rules, Results Sheets & Catering Vouchers.

5. Course Presentation

The Host Club is requested to present their course in a manner similar to that used for the Clubs main competitions with due consideration given to conditions prevailing on the day of play.

Post Match Entertainment

1. Catering

The Seniors Pennant Sub-Committee recommends that the host clubs provide food and beverages (soft drinks, tea or coffee) for players, caddies and team officials and that numbers from participating clubs be strictly limited. The type of food and format for players is at the host clubs discretion.

2. Costs – Minor Rounds

Any costs for post functions are to be the responsibility of the host club.

3. Costs – Semi Final

The cost of catering for the Semi Final is to be covered by the host club.

4. Costs - Finals

Green fees and the cost of the presentation dinner at Kooyonga will be advised prior to the finals. Based on the contribution by the competitions sponsors, Paradise Motors Mazda, these costs will be kept at the lowest level possible to ensure maximum participation.

Team managers are requested to achieve as full a participation as possible at the dinner in due recognition of the season and to show their appreciation to our generous sponsors. The greater the level of support the lower the associated costs will be. This will also allow future seasons to be conducted in a similar manner, your support is crucial in this regard.
