Job Description

The players will start arriving on the Monday, but the high majority will arrive Tuesday. From there they are likely to have a practice round or two.

We are anticipating 1 one locker to each player.

There will be an alphabetical list available closer to the day which will outline the locker number for each player.

Open Lockers for Players

Provide towels upon request

Keys:

It is important to note that players **DO NOT** receive a locker key. They need to approach the locker room attendant, who will take the player to their locker and open their locker for them.

Not all players request a locker.
