RULES SHEET

R & A Rules	The Royal and Ancient Rules of Golf will govern all competition, except for local rules of play and those regarding the Ambrose team format.
Captain	The Captain of the team shall be the lowest handicap player.
Ambrose Format	On every hole, each member of the team may hit a tee shot. The Captain then selects one of the tee shots from which to play. All members of the team may then hit from that position. This procedure is repeated until the ball is holed.
Three Tee Shots	Each team member's tee shot must be used at least (3) three times per eighteen (18) hole round. The Scorer must record whose tee shot was used on each hole.
Selected Shot	The selected shot is played first as it lies . Its position must be marked. If the selected shot is on the fairway or the fringe of the green each team member may then place their ball within one club length of the marked position, no nearer the hole, and play from this position. If the selected shot is off the fairway, or in a hazard, bunker or rough (intermediate or regular), the ball must be dropped within one (1) club length of the selected shot, no nearer the hole, and must remain off the fairway, or in the hazard, bunker or rough (intermediate or regular). In a sand bunker, the sand may be raked prior to any ball being dropped .
On the Putting Green	The position of the selected putt is marked. Other team members may then place their ball within one putter head length of the marked position, no nearer the hole and putt from this position. Once the ball is holed out, no further strokes count.
Standing on line of play	Team members may stand behind one another while hitting a shot.
Scorecard	The scorecard must show each team member's handicap. The scorecard is to be signed by the Captain and countersigned by one other team member.
