International Bowl

Played in two divisions – Silver **GA Handicap** to 18.4 and Bronze **GA Handicap** 18.5 to 45.4. A single entry fee entitles a player to return up to three (3) cards in this competition, and members of more than one club may compete at any club of which they are members on payment of entry fee at each club. Any club may give permission to visiting players (other than club members) to take part in that club's competition, and may also arrange a competition for business women who have not already taken part in their club's competition.

An International Bowl Brooch, costing \$6.50 (includes GST), is available to clubs for presentation to the winner of each division. No minimum number of entries is required for each division.

- 1 Clubs should hold three 18-hole stroke competitions during the allocated period of play from 1st March to 1st August 2015.
- 2 One entry fee of \$2.50 (includes GST) entitles competitors to return cards on all three days.
- 3 Total club entry fees to be included with the annual Remittance Advice and forwarded to GSA by the closing date of 7th August 2015. If entry fees are not received by the closing date for the competition, players are ineligible for the event.
- 4 Clubs may hold club events in conjunction with the International Bowl competition.
- 5 A player who enters the Bronze division and reduces to Silver division may then, by paying an additional entry fee (\$2.50), compete in both divisions and thus be eligible to win either or both divisions. A player who enters Silver division and increases her GA handicap to Bronze division may then, by paying an additional entry fee (\$2.50), compete in both divisions and thus be eligible to win either or both divisions.
- 6 All clubs must retain winning cards for each division or a photocopy of same. Only in the event of a tie will Golf SA require the winning cards for either division to be forwarded for countback purposes. In this instance, Golf SA will contact the relevant clubs to obtain cards. In the event of a tie a count-back will apply (the lowest net score in relation to the **Daily Scratch Rating (DSR)** recorded will be the winner). If the winning cards or a photocopy of same cannot be forwarded those players will not be considered.
- 7 The state winner in each division to be the player who defeats the **Daily Scratch Rating (DSR)** by the greatest number of strokes. In the event of a tie, a count-back will decide the winner.
- 8 Trophy – the WGA International Bowl to be held at the clubs of the winners for a time allocated by the GSA. A Special International Bowl Brooch, presented by GSA will be awarded to the state winner in each division, together with a prize voucher. Runners-up – prize vouchers in each division.

A competition is to be played in conjunction with the International Bowl with two handicap winners from each club affiliated with each of the eight districts plus the metropolitan area. The lowest net score in relation to the Daily Scratch Rating (DSR) recorded in a round of the International Bowl competition in each of the handicap divisions will be the winner. The entry fee for the International Bowl competition will cover both events. Winners and Runners-up in Silver and Bronze in district and metropolitan divisions will each receive a prize voucher.
