General Information

The school holiday junior golf clinics are open to boys and girls under the age of 18 years and cater for all levels. The clinics are designed to foster enjoyment and appreciation of the game of golf and will incorporate fun games along with challenging activities. Safety is a primary consideration; participants are to be mindful when swinging a golf club and must maintain a safe distance from others. The Kooyonga Golf Club etiquette and dress standard requirements must be adhered to; denim jeans, track pants and shirts with no collars are not permitted. Junior golfers are encouraged to bring a hat, sunscreen and a water bottle as well as to wear sun protective clothing to the clinic(s). Non-member caregivers are not permitted to practice before, during or after the clinic(s) and children not participating in the clinic(s) must be supervised. Kooyonga supports a child safe environment and parents are welcome to view the Club's Child Protection Policy on the Kooyonga Golf Club website or by requesting a copy from the office. Please note places in the clinics are limited.
