****NEW** Stand alone NSW Women's Senior Order of Merit**

In an exciting new initiative Golf NSW has revamped the current NSW Women's Senior Order of Merit for this season. Under the current system the WSOOM runs in-line with Jean Derrin events which wasn't creating a great deal of interest. Golf NSW has now organised a series of events that currently involves seven tournaments (and is likely to extend to approximately 12), that forms the NSW Women's Senior Order of Merit. Entry is FREE and open to all women over the age of 55 with a GA handicap of 22.4 or below.

In the WSOOM points will be awarded to the best placed players over 55 years of age. Both a nett and a scratch Senior Order of Merit table will be maintained. It is hoped that we will get a series of Women's Senior events that are well supported by the Senior golfers in NSW, because (1) they attract points towards the WSOOM (2) they are either specifically for Women Senior golfers or there are prizes specifically for women in that category. As we have done in the past, players that entered the 2014 Women's NSW Senior Championship will be automatically included in the points table. If you did not take part in this event and would like to register or would like any other information regarding the conditions and schedule, you can access this on our website [here](#).

Warren & Gibson kicks off this weekend

Thirty-eight teams across ten divisions will contest the 2014 Warren & Gibson Trophies, including last years winners Woollooware GC (Warren) and Cabramatta GC (Gibson) who will be back to defend their titles. Conducted annually from early August until November, the Warren and Gibson Trophy Competitions are open to all Sydney Metropolitan Golf Clubs who are members of Golf NSW. A players GA handicap must not be lower than 19.5 (W.Gibson Trophy) or 12.5 (T.L. Warren Trophy) as at 30 June in the year of the competition. The competition runs over six rounds, then goes on to elimination, quarter and semi-finals, followed then by the Final. Follow your Club's progress and find all the information [here](#).
