

## Junior Golf Clinics Term 2, 2015

The Kooyonga Golf Club is committed to designing golf clinics that foster the enjoyment and appreciation of the game of golf. Kooyonga runs a golf program for juniors on Sunday mornings during each school term. Any person under the age of 18 years is invited to attend the junior golf clinics at Kooyonga. Commencing on 3 May 2015 there will be three sessions run on each Sunday morning during the second school term. The first session (8.30am to 9.15am) is for juniors aged 4-6 years, the second session (9.15am to 10.15am) is for juniors aged 7-9 years and the third session (10.15am to 11.15am) is for juniors aged 10 or older. Each session will include 15 minutes of stretching, development of motor skills and short game activities and at least 30 minutes of the session will focus on skill development with all sessions incorporating fun games along with challenging activities. The fees for Term 2, 2015 are \$70 per child for non Kooyonga Junior Members. Please note that places in the clinics are limited.

The golf clinics at Kooyonga Golf Club incorporate the MYGOLF program philosophy which provides a structure to give juniors the knowledge and confidence to enjoy the game of golf on the course. The program consists of three levels: Rookie - Try Golf, Star - Learn the Skill and Master - Prepare to Play. The 'Rookie' level introduces juniors to the core fundamentals of golf through fun activities which are repeated on a regular basis. The 'Star' level focuses on developing the different skills of golf and the 'Master' level focuses on relating the skills to the golf course. Each junior will be provided with tasks and activities based on their needs and ability.

Juniors who wish to progress their skills and involvement in golf will be provided with opportunities to do so at the Club through additional clinics and on course activities. If you would like to find out more about junior golf at Kooyonga please contact the Kooyonga Golf Club office by telephone (08) 8352 5444 or email [susie@kooyongagolf.com.au](mailto:susie@kooyongagolf.com.au).

Please note that junior clinic participants and caregivers are expected to behave and dress in a manner which will maintain the standards and traditions of the Kooyonga Golf Club. There must be compliance with off course etiquette and dress standards: denim jeans, track pants and shirts with no collars are not permitted. Golf shoes with soft sprigs must be worn on the course and on the putting green (if golf shoes are not available sneakers are acceptable). Junior golfers are encouraged to bring a hat, sunscreen and a water bottle as well as to wear sun protective clothing to the golf clinics. Non-member caregivers are not permitted to practice before, during or after the clinics and children not participating in the clinics must be supervised.

The Kooyonga Golf Club supports a child safe environment and parents are welcome to view the Club's Child Protection Policy on the Kooyonga Golf Club website or by requesting a copy from the office.

To participate in the 2015 Term 2 junior golf clinics at Kooyonga, please return the enrolment form together with your payment prior to Sunday 3 May 2015. If you have any questions or would like siblings to attend the same clinic, please contact me to discuss. I look forward to seeing you at the junior golf clinics.

Susie Mathews  
Golf Operations & Development Officer
