CONSOLATION FINAL - Playoff for 3rd

The SA's Women's Team almost upset QLD in the playoff for third position. After losing to QLD in round one 3.5 v 1.5, SA pushed the Queenslanders but just fell short, going down 3.5 v 2.5 with the full team of six players teeing it up in the final.

Jenny Lee at number one reversed her 3&2 earlier loss to Karis Davidson to defeat her 4&3. Lee finished the series with 4 wins from 6 matches at number one. Cassidy Evreniadis won her final match 1 up to finish the series with 3 wins from 5 matches. Her hole-in-one in round three was a highlight of the week. Kristalle Blum also finished strongly to halve her match at number three with Australian representative Gennai Goodwin. Blum finished with two wins and two halves from her six matches. Caitlin Roberts battled hard throughout the week at number two with two wins for the week, while Ella Adams won three and halved one from six matches. It was a great development week for women's team debutant 14 year-old Jin-Joung Yun who had one halve from two matches.
