ROUND 2

SA's Men's Team fought hard in round two but couldn't compete with defending champion Victoria whose depth proved too strong. Whilst the matches went down to the wire, Victoria comfortably controlled the contest. Antonio Murdaca won SA's only match with a big win over young-gun Ryan Ruffles who recently blitz the field in the Junior Boys Amateur for a second time (like Murdaca) and went undefeated in the Junior Interstate Series two weeks ago and had been in red-hot form. However, Murdaca's 'lead up' event, the US Masters probably held him in good stead for this match!
