2015 Primary Schools Golf Championship (formerly the SAPSASA Golf Championship)

play golf

Dear School Sports Coordinators

The above event heads in a new direction with a revamped platform.

Traditionally there has been one Metropolitan SAPSASA Qualifying held at the Adelaide Shores Golf Park.

This year sees the introduction of seven qualifying days across the Metropolitan area. Golf SA has done this by linking two or three SAPSASA Districts to a central Golf Club who will play host to these days and deliver a come and try session which includes skill development, followed by a Qualifying event, all on the same day.

Please refer to attached page re the Clubs linked to SAPSASA Districts.

SAPSASA Convenors are responsible for the information stream to the School SAPSASA Coordinators.

Following the Qualifying Days Golf SA will still be conducting the Primary School Golf Championship – State Event (formerly SAPSASA Golf Championship) at the Adelaide Shore Golf Park over the 3rd & 4th September 2015.

Students gain access to this by playing in their local area qualifying event. Qualifying events have been allocated a number of students to go through to the State Event, the leading 10 or 12 Students depending on allocation at each venue will qualify.

During the championship a SAPSASA 12 & U State Team will be chosen. Conditions and selection policy are those presented by SAPSASA which can be viewed on the SAPSASA web page.

Early in second term each school sport co-ordinator should receive a School Nomination Bulk Entry Form from your SAPSASA District Convenor. This form needs to be sent to the host club coordinator by the required date as indicated with all the names of students who wish to participate.

The Primary School Golf Championship is managed, promoted and delivered by the State Sporting Organization which is Golf SA.

Further clarity of this information can be gained by contacting Allan Telford, Development Coach at Golf SA, either by mobile on 0400715764 or email: allan@golfsa.com.au

Good Golfing
