**“Registered Player” Definition**

A “Registered Player” is defined as *“an individual who is a member of an Affiliated Club and has the right or privilege to play on the golf course of that club no matter how limited or restricted that right or privilege may be”.*

**NOTE:** A member of the Club is still deemed to be a “Registered Player”, and subject to the payment of the Affiliation Fee, if they have any access to the golf course, whether socially or in competitions. This may still include Club players in some Non Playing, Social, House, Restricted, or Country/Interstate type membership categories.

**Affiliation Fees**

The Affiliation Fee (Metropolitan Adult) is allocated as follows;

The affiliation fee becomes payable to Golf NSW on 1 July 2015, and a completed and endorsed Statutory Declaration together with a copy of the clubs most recent Annual Report MUST be lodged at time of payment, prior to 1 September 2015. Tax Invoices will be provided to clubs if requested, but not until after full payment of the fee has been received by Golf NSW.

## NSW Golf Foundation

Golf NSW is pleased to advise that **\$0.50 per adult registered player will be donated to the NSW Golf Foundation, to assist Club projects and game development initiatives.**

## Affiliation Fee Calculation Method

The annual Affiliation Fee payable to Golf NSW by an Affiliated Member Club will be calculated by multiplying the number of Registered Players in that club in each relevant category of membership, as reported in the Clubs most recent annual Report.
