PRESIDENT'S REPORT

2014 was a successful year of consolidation for Golf Victoria during which the organisation undertook a review of its Strategic Plan which will guide the way for the next three years.

CEO Simon Brookhouse successfully led the organisation in conjunction with a passionate & enthusiastic team of staff. The Board, Committee members and staff are committed to the delivery of the organisation's new Strategic Plan, with particular emphasis on our desire to continually increase the awareness of golf to enable the growth of the game into the future.

During 2014 we undertook a review of our sub-committee structure. This resulted in a new structure consisting of the following sub-committees:

- Finance, Risk and Audit
- Match
- Performance and Remuneration
- Nominations

These committees are integral to GV's governance and are based on the recommendations of the Australian Sports Commission's good governance principles.

The updated Strategic Plan has identified six high level strategic issues that will form the backbone of our direction over the next three years. These issues are:

- Club and Facility Support
- Financial Capability
- Strategic Information Management
- Communication
- Game Innovation
- Governance and Leadership

Our aim is to continue to grow the game of golf and provide outstanding service to Victorian golfers whilst upholding our core values of integrity, inclusivity, transparency, respect and consultation.

During the year a good number of our country district golf associations followed our lead and amalgamated the men's and women's bodies. These districts should be applauded for their commitment to assisting Golf Victoria to achieve its strategic goals.

In addition, during 2014 Golf Victoria appointed three Regional Development Officers (RDO's) with the generous funding support of the Victorian Golf Foundation. The need for such roles was identified in the 2013 Governance and Structural Review and in conjunction with Golf Australia will be seen as a national pilot program. The roles are diverse in nature with the three key functions of:

- Game development in conjunction with clubs and schools,
- Golf Club Support
- Marketing our game in Regional Areas

To ensure that we are able to best utilise these resources, the initial placement of RDO's has been to the highly populated golfing areas of Central/Northern Victoria, Gippsland and Western Victoria. Ultimately we aim to have up to

six RDO's however it is imperative that we demonstrate the value of this program. Results during 2014 have so far been extremely encouraging.

Our relationship with all relevant stakeholders continues to be strong. These stakeholders include Golf Australia, PGA, Golf Managers Victoria (GMV), Victorian Golf Course Superintendents Association and other state bodies. 2014 also saw the appointment of Fiona Telford (Government and Community Relations Manager) which has had a direct impact on the funding received by clubs via various levels of Government grants.

Once again in 2014, we witnessed some superb golfing achievements which are highlighted in detail within this Annual report. Congratulations are extended to all respective State Champions and players who represented our State at senior and junior level. We continue to develop fine quality golfers and are very proud of the commitment these golfers provide to Victorian golf.

The Oates Vic Open was again held at 13th Beach Golf Links on the Bellarine Peninsula. The event continued to grow on the base laid in 2013 and was a wonderful success. We would like to express our appreciation for the support provided by the State Government; City of Greater Geelong and a number of local sponsors and, of course, our naming rights partner Oates.

Without the ongoing and appreciated commitment and contribution of our tireless volunteers, the success of all of our events would not be possible. The professionalism and efficiency of our volunteers is a major reason for our events being held in such high regard. I thank all of you and I look forward to seeing you in similar roles over

the next year.

The Golf Victoria staff continue to do a wonderful job, and to all of you I would also like to express my gratitude for your efforts. The professionalism you exhibit is second to none. Thank you all, it is a pleasure working with you.

To my fellow board members I acknowledge your contribution to the governance of this

organisation and for your willingness to spend many hours attending events throughout the State to ensure that the Board is seen to be inclusive of all stakeholders by interacting with a variety of golfers and club and district officials to explain the strategic direction of the organisation and to obtain valuable feedback in relation its performance.

The Board, Committee members and staff of Golf Victoria look forward to working with all members in 2015 and beyond and we are certain that with our best efforts Golf Victoria will prosper well into the future.

Finally, remember golf remains "The Game for Life".

DEVELOPMENT

Victorian Institute of Sport

The Victorian Institute of Sport Golf Program has played a pivotal role in developing Victoria's leading players since its introduction in 1990. Each year graduates from the program and current scholarship holders feature prominently in pinnacle amateur competitions and world professional golf tournaments.

VIS Golf Program graduates have achieved an outstanding record of tournament wins including in excess of fifty victories on the US PGA Tour, European PGA and Australasian PGA tours plus other victories in major events in South Africa, Japan and Asia.

This record stands as testament to the contribution made to junior development and high performance by Victoria's golf clubs, District Associations, Golf Victoria and the world recognised quality of the VIS program and the ongoing level of excellence in its coaching, sports science and life skill contributions.

Congratulations and thanks are extended to Martin Joyce (Head Coach), Darren Cole (Assistant Coach) and the team of VIS sports science professionals and support staff who have worked so successfully with our talented emerging players.

Support with equipment has been again provided through a valued "Titleist" partnership with the Acushnet company.

Thanks are also extended to all golf clubs which assisted the program by making their courses available for training sessions.

Victorian Golf Foundation

During 2014, a total of \$94,707 was provided by the Victorian Golf Foundation in grants to clubs and District Associations and for support to state-level golf development programs. The majority of this funding is directed towards junior golf development and women's participation initiatives.

Since the commencement of its annual funding and grants program in 1995, the VGF has injected a total of over \$3 million towards keeping Victorian golf and golf clubs healthy.

MyGolf Junior Development Project

MyGolf is Australia's national junior introductory program to develop and promote participation in golf. A 10 week introductory program to the sport, the MyGolf program is designed for 5 to 12 year olds and is the major driver of junior golf participation in Australia.

Through the MyGolf program, Golf Victoria aims to increase participation and engagement in golf by children, and provide a fun, accessible and satisfying introduction to the sport of golf by promoting skills development, as well as the social and fun aspects of the sport, to the wider community.

Since the relaunch of the MyGolf Program on July 1, 2014, Victoria has engaged 102 MyGolf centres and 847 MyGolfers, including 647 boys and 200 girls.

Victorian Primary Schools Golf

The Victorian Primary Schools Golf event entered its 15th year in 2014 with the participatory competition attracting a record 3316 primary school students throughout the State. Thirty-four percent of all participants were female students, an increase of two percent from 2013.

The event consists of three rounds: qualification events, regional finals and the state final. The qualification events are run across the entire state.

DEVELOPMENT

School Sport Victoria - Partnership Agreement

During 2014, Golf Victoria and School Sport Victoria (SSV) signed a partnership agreement to formalise the longstanding relationship between the two bodies.

Key elements of the agreement include:

- Ongoing financial & clothing support for the Victorian Secondary and Primary School teams provided by the Victorian Golf Foundation;
- Direct conduct of the Victorian Primary Schools Golf event on behalf of SSV – including annual coordination of 60 host venues for the event;
- Supporting the annual Victorian School Teams Championship at the Metropolitan Golf Club as Victorian Secondary School Team selection trial event. SSV will use its state championship as the other stage of the selection process;
- Continuing to source venues for the SSV Junior / Senior State Golf finals.

Adult Development Programs

Give Golf a Go

The Give Golf a Go program continued to grow throughout Victoria with just under 800 women introduced to the game in 2014. Some 46 programs were conducted at 30 participating clubs with all reporting increases in membership. Towards the later part of the year the program name was changed to "Playgolf" and will now focus on becoming all inclusive.

With the assistance of Golf Victoria, six clubs have developed a membership pathway for golfers who have completed the introductory courses and advanced to on course play. The on course mentoring component is normally conducted by members of the club who have become accredited through the Community Coaching program. Over 90 club members became accredited from the 11 programs conducted.

PlayGolf Week

Golf Australia nationalised the "PlayGolf Week" initiative in 2014 and all Victorian Clubs were invited to participate with either a membership offer or a Come and Try Clinic. The concept of the week is to create interest in the game through participation.

Golf Victoria launched the week with a Come and Try day at Federation Square followed up with a Family Day at Yarra Bend Public Course. 45 Victorian clubs participated in the inaugural year.

Everyone Wins

The funding given to Golf Victoria from the Victorian Health Promotion Foundation for the period 2011 – 2014 has

been extended to 2015 as a direct result of Golf Victoria's commitment to the growth of Women's golf.

Highlights in 2014 have been:

- The increase of Female participation in golf through the Give Golf a Go and Community Coaching programs.
- Inclusion of the Female Coaching Module in the PGA's 2nd year trainee curriculum.
- Continued growth of the Anglesea Girl's Golf Camp.
- Golf Victoria sponsored 3 girls to attend the Female Youth Leadership Camp.

Regional Development Officers (RDO's)

Golf Victoria appointed 3 development officers to assist Regional Golf Clubs with a number of issues including governance, marketing, membership recruitment and retention. Part of the role involves linking clubs with government initiatives and funding. The districts currently being serviced are Ballarat, Geelong, South Western, Bendigo, Goulburn Valley, Dalhousie, Northern and Gippsland. It is hoped to expand this service in the coming years.

Rules of Golf & Amateur Status

Over 500 golfers attended Club Level Rules accreditation workshops held in both Metropolitan and Regional areas in 2014. Interest in learning more about the Rules of Golf remains strong with upwards of 50 attendees at a number of seminars. Victoria now boasts well over 1500 Club level accredited Referees who are qualified to officiate at their club. Many of these are active in Club events whilst others simply like to be knowledgeable on the Rules of the game.

In addition six Club Level accredited referees went on to successfully complete the State Level accreditation program and now participate in refereeing at many of the State and National events including the Victorian Open and Metropolitan Pennant.

Handicapping and Course Rating

January saw the introduction of the final components of the revised Golf Australia handicap system including the introduction of slope ratings for all Australian courses. The slope system was applied to the handicap history of all Australian golfers over a three day period. This meant that some GA handicaps went down whilst others went up depending on where golfers had played the majority of their golf.

The formula used to calculate a golfers GA handicap remained the same however their daily handicap is now determined by the slope rating of the course that they are going to play. The formula to calculate player's daily handicap is their exact GA

handicap multiplied by the slope and divided by 113. The concept is to make it fairer when golfers play on courses other than their home course.

The other key component introduced was a Daily Scratch Rating (DSR). This enables the players score to be adjusted for handicapping purposes according to the course conditions and how the field adapted to those conditions.

The last of the three major changes was the introduction of the stableford handicap adjustment (SHA) which simply means that all scores for handicap purposes are converted to a stableford score regardless of what competition format was played. In theory this allows a players score to be more truly reflective of their ability.

One of the most popular changes was the introduction of handicapping of 9 hole scores therefore allowing clubs to offer an additional service to their members and hopefully encourage more participation in club events.

The re-rating of courses was suspended in December as Golf Australia is currently developing a statistical method to determine the scratch and slope rating of courses based on the scores returned on GolfLink. The method envisaged would not only alleviate the costs incurred by the State Associations in the rating process but provide a rating based on scores returned on a particular course. Golf Australia has estimated that this method should be available within two years.

State Government of Victoria - Support

National Home of Golf

National Home of Golf and Centre of Excellence Consortium, comprising of representatives from PGA Australasia, Golf Australia and Golf Victoria is working collaboratively to gain funding for the proposed National Home of Golf and Centre of Excellence project at Elsternwick Park.

The proposed national "Home of Golf" project, which will see the head offices of PGA of Australia, Golf Australia and Golf Victoria under one roof, has received a \$10 million commitment from the Victorian Government following Labor's victory at the 2014 state election.

The National Home of Golf and Centre of Excellence Project is a "world first" development that, for the first time in golf's history, will bring together the Australian golf industry.

This project will help grow the game and ensure it has a long term sustainable future through development of world standard educational, training, research and administration facilities developed in partnership with all levels of government.

Discussions are actively underway with the Commonwealth Government and Bayside City Council to seek their subsequent funding contributions.

Oates Vic Open funding

In late 2014, Premier Daniel Andrews announced that the Victorian Labor Government will increase funding by \$1.4 million to the Oates Victorian Open over the next four years to \$1.8 million from 2015 – 2018. Golf Victoria also recognises the similar commitment made by the Coalition prior to the state election and greatly appreciates the bi-partisan support which both parties provide to golf and specifically the Oates Victorian Open.

Grants

In 2013-14 golf clubs around Victoria received over \$3.4 million in state government grants for the following: Infrastructure (clubhouse redevelopments)

- Sporting Uniform grants
- Vichealth Active Club grants
- Coach accreditation
- Junior programs
- Female participation
- Emergency sporting equipment grants
- Victalent
- Country Action Grants
- Elite Athlete Travel Grants program

Sponsors

Sincere appreciation is extended to all Golf Victoria sponsors including those that have partnered programs and events, along with the many that supported the Oates Vic Open at Thirteenth Beach Golf Links.

The financial report is a special purpose financial report utilising the Australian Accounting Standards Reduced Disclosure Requirements as appropriate for not for profit oriented entities. These financial statements do not necessarily comply with International Financial Reporting Standards issued by the International Accounting Standards Board.

The Board and management of Golf Victoria is responsible for the preparation and true and fair presentation of the special purpose financial report and has determined that the accounting policies used and described in Note 1 to the financial statements which form a part of the special purpose financial report are appropriate to meet the requirements of the Corporations Act 2001 and are appropriate to meet the needs of the members. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the special purpose financial report.

The special purpose financial report has been prepared for distribution to members for the purpose of fulfilling the Board's financial reporting requirements and the Corporations Act 2001. We disclaim any assumptions of responsibility for any reliance on this report or on the special purpose financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

AUDIT APPROACH:

We conducted an independent audit in order to express an opinion to the members of the company. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the special purpose financial report is free of material misstatement. The nature of the audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that any or even all material misstatements have been detected.

We perform procedures to assess whether in all material respects the special purpose financial report is presented fairly, in accordance with the accounting policies described in Note 1, so as to present a view which is consistent with our understanding of the company's financial position, and of its performance as represented by the results of its operations. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia. No opinion expressed as to whether the accounting policies used and described in Note 1, are appropriate to the needs of the members.

We formed our audit opinion on the basis of these procedures, which included;

- examining on a test basis, information to provide evidence supporting the amounts and disclosures in the special purpose financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates by the committee.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

INDEPENDENCE:

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

AUDIT OPINION

In our opinion, the special purpose financial report presents fairly in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of Golf Victoria as at 31st December 2014 and the results of its operations for the financial year then ended, as represented by the books and records of the company as presented to us for examination.

Notes to the Financial Statements

For the year ended 31 December 2014

1. Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial report preparation requirement of the Corporations Act 2001. The directors have determined that the company is not a reporting entity.

The financial report is for entity Golf Victoria as an individual entity. Golf Victoria is a company limited by guarantee, incorporated and domiciled in Australia.

The financial report has been prepared in accordance with requirements of the Corporations Act 2001, and the following applicable Accounting Standards:

Framework for the Preparation and Presentation of Financial Statements

AASB 102: Inventories

AASB 107: Cash Flow Statement

AASB 110: Events after the Balance Sheet Date

AASB 116: Property, Plant and Equipment

AASB 118: Revenue

AASB 1031: Materiality

No other applicable Accounting Standards, Urgent Issues Group Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The report is also prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

a) Inventories: Inventories are measured at the lower of cost and net realisable value. Costs are assigned on the first-in first-out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

b) Property, Plant and Equipment: Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

Property - freehold land and buildings are measured on the fair value basis being the amount which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction.

Plant and Equipment - Plant and equipment are measured on the cost basis.

Depreciation - All assets, excluding freehold land and buildings, are depreciated on a straight line basis over their useful lives to the company.

c) Investments: Non-current investments are measured on the cost basis. The carrying amount of investments is reviewed annually by trustees to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for shares in listed companies or the underlying net assets for other non-listed corporations. The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts.

d) Employee Benefits: Provisions are made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at the amount expected to be paid when the liability is settled plus related on-costs.

Notes to the Financial Statements

For the year ended 31 December 2014

Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

e) Cash: For the purposes of the Statement of Cash Flows, cash includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months and net bank overdrafts.

f) Revenue: Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Dividend revenue is recognised when the right to receive a dividend has been established. Dividends received from associates and joint venture entities are accounted for in accordance with the equity method of accounting. Other revenue is recognised when the right to receive the revenue has been established. All revenue is stated net of the amount of goods and services tax (GST).

g) Goods and Services Tax (GST): Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

h) Programs, Competitions and Grants: Income and expenditure relating to programs, competitions and grants are matched and brought to account at the time the program or competition is conducted. Unspent grant monies are held in Membership and other Fees received in Advance.

i) Financial Instruments: Financial assets and liabilities are recognised when Golf Victoria becomes a party to the contractual provisions of instrument. For financial assets, this is equivalent to the date that Golf Victoria commits itself to either purchase or sell the assets. Financial instruments are initially measured at fair value plus transaction costs. Where the instrument is not classified "at fair value through profit and loss" transaction costs have been expensed immediately. Financial instruments are subsequently measured at either fair value, amortized using the effective interest rate method or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances other valuation techniques are adopted.

j) Staff Superannuation Fund: Golf Victoria contributes to approve superannuation funds on behalf of its employees.

Notes to the Financial Statements

For the year ended 31 December 2014

1. Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial report preparation requirements of the Trust Deed to prepare a financial report. The trustees have determined that the trust is not a reporting entity.

As the Trustees have determined that the trust is not a reporting entity there is no requirement to apply applicable Accounting Standards, Urgent Issues Group Consensus Views, or other authorising pronouncements of the Australian Accounting Standards Board in the preparation and presentation of these financial statements.

The financial report is also prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with previous period unless otherwise stated, have been adopted in the preparation of this financial report:

(a) Income Tax: No provision for income tax has been raised as the trust is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(b) Inventories: Inventories are measured at the lower of cost and net realisable value. Costs are assigned on the first-in first-out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

(c) Investments: Non-current investments are measured on the cost basis. The carrying amount of investments is reviewed annually by trustees to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for shares in listed companies or the underlying net assets for other non-listed corporations. The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts.

(d) Cash: Cash includes cash on hand and at banks including at call deposits with banks.

(e) Trust liabilities and right of Indemnity: The company acts as trustee of a trust and liabilities have been incurred on behalf of that trust in the company's capacity as corporate trustee. Liabilities incurred on behalf of the trust are not recognised in the financial statements when it is not probable that the company will have to meet any of those trust liabilities from its own resources. When it is probable that the company will have to meet some trust liabilities a liability for the Deficiency in Trust Right of Indemnity is brought to account. Details of the trust liabilities, the offsetting right of indemnity, and any deficiency in the right of indemnity are disclosed by way of note to the financial statements.

(f) Goods and Services Tax (GST): Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

3. Victorian Golf Foundation (Establishment And Purpose)

The Victorian Golf Foundation (VGF) was established in 1987. Following an initial period of capital building, the Foundation Trustees in 1995 commenced making annual allocations and grants to support golf development programs and projects conducted by the State Organisation, District Golf Associations, affiliated golf clubs and allied organisations. The process of annual allocations and grants is ongoing and opportunity is provided each year for interested clubs and organisations to apply for funding support.

Since 1995 a total of approximately \$3.9 million has been expended by the VGF to benefit Victorian golf. A VGF benefactor program was launched in 1997. Under this program the opportunity exist for any person or group interested in golf to make single or ongoing donations to assist in further building the foundation's capital fund. Donations are tax deductible as a result of the foundation being registered as an approved project of the Australian Sports Foundation.

During 2014 funds were provided to assist the following: Golf club membership promotions; school club linkage programs for juniors; community come and try clinics; District Association junior clinics and tournaments; Go Go Golf promotions in schools; Junior camps, golf in primary and secondary school; scholarship to assist professional development of golf club managers; golf promotion resource materials; and support for regional sports academies.
