2015 – 2016 JUNIOR SQUAD APPLICATIONS

About Golf Victoria's High Performance Program

The vision of Golf Victoria's High Performance Program is to capture as early as possible Victoria's most talented golfers and give them the best possible opportunities and resources to fully develop their potential on and off the golf course with a view to becoming successful international players.

The program includes ongoing tuition through the year with Golf Victoria's state coaches at the nominated squad camps. From each of the squads, players may be selected to represent Golf Victoria at nominated representative events.

About the Junior Squads

The U14, U16 & U18 Junior Squads (formerly known as the Development Squads) form part of the Golf Victoria High Performance Program. Throughout the year the squads are provided with ongoing tuition with Golf Victoria's state coaches, this will include technical, physical, mental and course management skills.
