FORMAT

The GCV Matchplay 3's concept is a competition for all GA handicapped players regardless of gender or club representation.

Teams will be graded into 3 divisions based on the total handicap of the 3 nominated players.

The divisions are named from three of Central Victoria main rivers. The Coliban, the Campaspe & the Loddon.

The competition is played as a round robin over 5 contests with the top team after the completion of the round robin announced as the division winner.

Maximum handicaps for men is 36 and for women 45.

Good Golfing!
