One complimentary practice round for competitors is available at any time on Tuesday 10 November between 9.00 – 11.00 am. Players must contact the club to make a booking (07 5573 9444). Players may practice outside of this time, however a green fee of \$49.00 (including cart) will be payable.

During a practice round a player may play one ball only throughout the round with the following exceptions:

- If a player misses the fairway with their drive, they may play one additional tee shot from the tee;
- If a player misses the green with their approach shot, they may play one additional shot to the green;
- Not more than three chip shots may be played from beside the green, and only then provided such practice shots do not damage the course;
- Only two bunker shots may be played towards the green from a greenside bunker. All other bunker shots must be played away from the green;
- Only three practice putts are permitted.
- Notwithstanding the above regulations, no additional practice strokes shall be played if the group behind is waiting to play. Additionally, course staff retain absolute right of way.

Competitors in breach of these practice conditions are liable to face action under GA's Code of Conduct.

Range Facilities and Balls:

The Club's practice fairway will be open from 6.00 am daily. Range balls are complimentary to players for the official practice day, and the championship days.

Distance Measuring Devices:

Please be advised that the following Local Rule will be effect:

In this competition a player may obtain distance information by using a device that measures distance only. If, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect their play (eg gradient, windspeed, temperature, etc), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional function is actually used.

Please note: Mobile phones are permitted during a stipulated round for use as a DMD or to ring for a ruling only. Please check the R&A flowchart to ensure your device is conforming - [R&A Advice Regarding DMDs](#)

Course Guides (Yardage Books):

Yardage books are not available at Arundel Hills Country Club however markers in the fairway indicate 200m, 150m and 100m to the centre of the green.

GA Hard Card:

The GA Hard Card will be in effect throughout the Championship and will be provided to players at registration. For a copy of the Card prior to the event, please visit www.golf.org.au - Rules & Handicapping/Rules & Competition Management/Competition and Course Management Resources.

Ties:

In the event of a tie for first place after 54-holes, those players tying for first place will play in a sudden-death hole-by-hole play-off until the winner is determined (the 10th and 11th holes will be played continuously).

Pull Buggies:

Local competitors and those travelling by car are requested to use their own pull buggies. Golf Australia will endeavour to provide a buggy/trolley to all players who require one, however players are encouraged to bring a light-weight bag in the case that a buggy is not available. Buggies will be complimentary for the practice round and the championship rounds for those players who require them. Buggies will be available from the Pro Shop. In order to ascertain the number of pull buggies required, players are asked to advise whether they require a pull buggy at the time of entry.

Motorised Transport:

During play, it is prohibited for a player to ride in or on a motorised vehicle unless specific written permission has been granted by the Championship Play Committee. (NB Subject to host club permission, a caddie may use motorised transport at any time.)

Penalty (unless permitted to ride by a member of the Championship Rules Committee): 2 strokes for each hole at which a breach occurred; maximum penalty per round – 4 strokes. Procedure when breach discovered: Use of any unauthorised form of transportation must be discontinued immediately upon discovery that a breach has occurred. Otherwise the player is disqualified.

Note i: Permission will only be granted to entrants who can provide a Medical Certificate.

Note ii: Golf Australia takes no responsibility for the availability of golf carts.

Note iii: Permission will be granted on the basis that the following requirements are adhered to. Players failing to adhere to these requirements are liable to have such permission revoked:

Players who drive at a pace which is clearly quicker than walking pace and/or who drive to a point past their ball which is clearly unreasonable for a player who is not using motorised transport to reach, are in breach of these requirements.

Players who meet these conditions and require a golf cart must advise Golf Australia, and must book the cart themselves directly with the club.

Any player may use a cart during the practice round.
