ABOUT THE EVENT

Draw

The draw for the day's play is enclosed. Please ensure you are aware which hole you are teeing off from. The format of the event is Texas Scramble in teams of four (3 Amateurs and 1 Golf Professional).

In Texas Scramble each team member tees off at each hole. The best tee shot is selected, then each member drops his balls from this point and plays out the hole with his/her own ball. The selected drive is counted as the first shot of each of the team members for that particular hole (NB. the use of another golfer's tee shot DOES NOT apply on par 3 holes). The method for scoring in Texas Scramble is Stableford, with the best 2 scores on each hole to count. Each player's tee shot must be used at least once. If you cannot better the score of your team members you must pick up.

Handicaps

Players will play off their current handicap on the day of play. For those without handicaps, men may play off a maximum of 18, and women a maximum of 36. Professionals play off scratch.

Registration

You will be required to register with the Golf NSW team at the registration desk. Registration will be open one hour prior to your tee time. Please allow yourself enough time to register, have a bite to eat and drink, collect your cart and make your way to your nominated hole.

Scorecard return

On completion of your round, please ensure a team member returns the completed score card to the score card return area, which will be next to the registration area. Scoring will be displayed in the clubhouse, as well as being available online at www.golfnsw.org.

Shirts

You will receive an official NSW Open Pro Am shirt at registration. You may wear this on the day if you wish, however it is not compulsory.
