AFFILIATION FEES – 2016

Dear Clubs,

play golf

The Board of Golf SA has reviewed its Affiliation Fee structure and fees for 2016. The Board has determined that the current fee structure (Country & Metro) no longer reflects the reality of the services provided to its Member Clubs. At the same time it has also determined that the annual incremental increases have seen the Association steadily fall behind in its ability to fund an ever increasing range of services to its Member Clubs.

The 2016 Affiliation Fee structure will now be divided into the following categories:

- Country Club (6 Month)
- Country Club (12 Month)
- Metro Club & Social Club
- Junior (Country & Metro)

CATEGORY	Golf SA	Golf Australia	TOTAL
Country (6 Month)	\$15.00	\$17.00	\$32.00
Country (12 Month)	\$24.60	\$17.00	\$41.60
Metropolitan	\$34.20	\$17.00	\$51.20
Social	\$34.20	\$17.00	\$51.20
Junior (All)	\$11.00	\$17.00	\$28.00

A new category of Affiliation Fee has been struck for Country (6 Month) Clubs to reflect that these Members only use the services of Golf SA for the golf season of approximately six months (Apr-Sep). The fees set for 2016 are substantially lower than previously for this category.

Country Clubs that operate twelve months of the year have been classified into a new category. The rate set for these clubs reflect the services of Golf SA that are available to them, throughout the year.

The Metropolitan Golf Club and Social Golf Club remain in the same category and therefore the same fee structure.

All junior golfers (both Country & Metropolitan) will be levied the same (lower) affiliation fee in recognition that Clubs are working hard to attract and retain juniors in particular through the national MyGolf Junior program.

In setting the fees for 2016 the Board points out to its Members a number of Programs that it is running such as the Club Support Program (Chip In), Golf Month, the national MyGolf Program and the soon-to-be released SwingFit (Women's Program).

The underlying strategy by Golf SA is to support its Member Clubs by providing services and resources that will make them stronger and better able to meet the challenges faced by the sport.

Yours sincerely,

Chris Luz-Raymond
