- General Competition Information
- 2016 GV Committees
- Club Qualifying Event Information
- GV Guidelines and Standard Conditions
- 2016 GV Women's Tournament Program
- 2016 Golf Australia Women's, Men's, Senior's and Junior Tournament Programs

The purpose of the 2016 Women's Tournament Handbook is to provide members, Captains, Club Managers, Districts, interstate and international players with a comprehensive resource on the GV Women's Program.

How to Enter an Individual GV Event

We encourage players to enter individual events online via the GV website. A \$15.00 discount applies on selected events to those who enter online. Alternatively, players may use the enclosed individual entry forms or the entry forms (PDF versions) under the relevant event name at www.golfvic.org.au.

Note: *Please go to the website for the most updated version of each entry form.*

Queries regarding online entries can be directed to GV Database/Web Manager, Greg McLeod on (03) 8545 6223.

Important Information Relating to Juniors

Clubs and teams travelling with girls under the age of 18 years (juniors) must ensure adequate risk management strategies are in place. Victorian Legislation requires all persons supervising juniors to have a current 'Working with Children Check'. This is independent of a Police Check. Accreditation is free for volunteers. More information can be found at www.justice.vic.gov.au/workingwithchildren or by calling 1300 652 879.

GV also adopts Play By the Rules (www.playbytherules.net.au) when it comes to making sport fun, safe and fair. GV does not tolerate discrimination, harassment, or child abuse by staff, volunteers or any person involved with our organisation and as such Golf Australia's Member Protection Policy is in force.

General Competition Information

GV is committed to publishing tournament information, news and results in a timely and professional manner.

Disclaimer: All event entry fees and event conditions enclosed in the 2016 Tournament Handbook are subject to change. Please visit the event page on the Golf Victoria website closer to the event for the updated entry conditions.

Entries

With the exception of Club qualifying events, all GV Tournaments open for entry approximately 3 months prior to the event taking place and remain open until approximately 2 weeks prior to the first day of play. On occasions closing dates may be extended. Entries must be received by 5.00pm on the closing date.

Entries will be accepted as per GV's Standard Conditions of Entry and the conditions of each tournament.

Draws

The draw and player information for the competition will be sent to players via electronic mail, therefore it is important to ensure a correct email address is provided on the entry form. However, if an email address is not available the draw will be sent by post and available at www.golfvic.org.au approximately one week before the event. Players are required to inform Golf Victoria of changes in contact addresses to ensure correspondence can be made.

Withdrawals/Refunds

Any player withdrawing from an event prior to the event taking place is asked to contact GV on (03) 8545 6200. Any player withdrawing on the day of play must call the Tournament phone number provided on the Player Information for the given tournament.

Any entrant may withdraw and have their entry fee refunded providing notification is received within **three working days** prior to the commencement of the event. Under no circumstances will entry fees be refunded after this date unless players can provide Golf Victoria supporting documents regarding their withdrawal from the event (ie. Medical Certificate).

Results

All tournament results will be posted on www.golfvic.org.au shortly after the event concludes and individual results will be processed through GolfLink.

If time permits at the conclusion of play, results will be emailed to AAP to appear in the newspaper on the day following play.

Doug Bachli Senior Events & Women's Senior Order of Merit

The Doug Bachli Trophy is an order of merit competition for Senior Men. It is run throughout the year at different venues with points being awarded for players based on their performances. Since amalgamation, select events now include a senior women's competition.

New to 2016, a Women's Senior Order of Merit (OOM) will be introduced at the above described Doug Bachli Senior events. The rankings will work on an adjusted stroke average with a players best ten (10) rounds to count. Once a player plays more than ten designated rounds, her worst performance drops off for each additional round she plays. The specific process to be used to determine the Stroke and Nett averages is outlined within the 2016 Women's Senior OOM conditions. This will be available of the Golf Victoria website.

Susie Tolhurst Trophy (Women's Order of Merit)

The previously known Champions Trophy has been reformed including a new name – the Susie Tolhurst Trophy. Susie competed all around Australia in Amateur Championships and Opens before making a move on the international golf scene for the British and the French Opens. Susie represented Victoria on a number of occasions including noticeable achievements claiming the Australian & Victorian Women's Amateur Championship on more than one occasion.

Eligible players are female amateurs off a GA handicap of 12 or below, and there is no fee associated with entry into this state rankings event. The rankings will work on an adjusted stroke average with a player's best twelve (12) rounds to count. Once a player plays more than twelve designated rounds, her worst performance drops off for each additional round she plays.

Please refer to the entry form enclosed for more information and further conditions. The 2016 Susie Tolhurst Calendar will be available via the Golf Victoria website.

2016 Rules of Golf

Clubs & players should be aware that the 2016 edition of the Rules of Golf takes effect on January 1 2016.

The four distinct changes made by the USGA and R&A to the Rules of Golf are as follows:

1. ***Withdrawal of Rule on Ball Moving After Address (Rule 18-2b)*** - *Rule 18-2b (Ball at Rest Moved by Player, Partner, Caddie or Equipment) has been withdrawn. This means that if a ball at rest moves after the player addresses it, the player is no longer automatically deemed to have caused the ball to move. A one-stroke penalty under Rule 18-2 will be applied only when the facts show that the player has caused the ball to move.*
2. ***Limited Exception to Disqualification Penalty for Submission of Incorrect Score Card (Rule 6-6d)*** - *A limited new exception has been introduced to Rule 6-6d (Wrong Score for Hole). A player is not disqualified for returning a lower score for a hole than actually taken, when the incorrect score is a result of failing to include penalty strokes that the player did not know were incurred before returning the score card. Instead, the player incurs the penalty under the Rule that was breached and must add an additional penalty of two strokes for the score card error. In all other cases in which a player returns a score for any hole lower than actually taken, the penalty will continue to be disqualification.*
3. ***Modification of Penalty for a Single Impermissible Use of Artificial Devices or Equipment (Rule 14-3)*** - *The penalty for a player's first breach during the round of Rule 14-3 (Artificial Devices, Unusual Equipment and Abnormal Use of Equipment) has been reduced from disqualification to loss of hole in match play or two strokes in stroke play. The penalty for any subsequent breach of Rule 14-3 will continue to be disqualification.*
4. ***Prohibition on Anchoring the Club While Making a Stroke (Rule 14-1b)*** - *As announced in May 2013, new Rule 14-1b (Anchoring the Club) prohibits anchoring the club during the stroke, either "directly" or by use of an "anchor point". The penalty is loss of hole in match play or two strokes in stroke play.*

Note: Re-election of Board & Committee members may occur as stated in the GV Constitution

Club Qualifying Event Information

For specific event conditions, please refer to the entry form for each event.

Royal Women's Hospital (RWH) 4BBB

The RWH 4BBB Stableford Competition is a state-wide competition that raises funds to purchase new equipment, and to train specialist doctors in urogynaecology, for the pelvic-floor dysfunction unit at the RWH. The event commenced in 2005 to commemorate the centenary year of Women's Golf Victoria. All funds raised through this event are donated to the RWH Foundation. In 2015, Golf Victoria & affiliated clubs raised over \$8,500. We look forward to contributing even more in 2016.

Competition Procedure

The RWH 4BBB is played in three stages:

First Stage (Club Qualifying): Played at affiliated Golf Victoria and Victorian Golf League Clubs separately, or in conjunction with an existing club 4BBB Stableford event. Clubs are to return the **Club Entry Form** to Golf Victoria by the specified date, as well as notifying their respective district of the winning and runner up pairs.

Second Stage (Country District Final & Metropolitan Final): Played by the winning and runner up pairs of the First Stage from each club qualifying round. Each respective country district will host their own Country District Final, with Golf Victoria staging the Metropolitan Final. Districts are to return the **District Entry Form** to Golf Victoria by the specified date.

Third Stage (State Final): Played by the winner and runner-up pairs of each Country District Final, and the top 12 pairs from the Metropolitan Final. There is no additional cost for entry into the State Final, however all qualifiers are encouraged to attend the Presentation Lunch following the round.

Note: *Players must be a financial member of the club they are representing at all stages.*

Substitutions

In the event where the winning and/or runner-up pair(s) cannot participate in the Second Stage, they may be substituted with the highest placed available pair that competed in the club qualifying.

In the event where the winning and/or runner-up pair(s) cannot participate in the Third Stage, they may be substituted with the highest placed available pair that competed in the Second Stage.

Mona MacLeod Brooch

The Mona MacLeod Brooch is a state-wide club event. It was first played for in 1961 and is named in honour of one of Victoria's greatest players, Miss Mona MacLeod.

Competition Procedure

Each club is to arrange two (2) 18-hole Stroke rounds. An additional two (2) 18-hole Stroke rounds may be arranged for weekend players unable to take part in midweek competition.

The first 18-hole Stroke round **MUST** be played concurrently with a Silver Spoon round, of which players must have entered and paid the nominated entry fee.

There will be two divisions in both Country and Metropolitan areas available for players to compete within:

- Silver Division: GA Handicaps up to 18.4
- Bronze Division: GA Handicaps 18.5 to 45.4

Clubs are to forward the winner of each division at their Club to Golf Victoria. The club and overall winners in each Division will be determined by the aggregate of the two nett scores returned.

Mona MacLeod Brooch Handicaps

Handicap divisions (i.e. Silver & Bronze) will be determined according to the player's Golf Australia Handicap. However, on the competition day the player's nett score will be calculated by subtracting their daily handicap from their gross score. The final result will be determined by subtracting the daily scratch rating (DSR) from the nett score. **Please refer to Entry Form for examples.**

Presentations of Trophies

Winners of the Silver Metropolitan/Country Divisions and Bronze Metropolitan/Country Divisions will be contacted by Golf Victoria and invited to attend the annual Women's Captains' and Presidents' Day at the end of the year. The day will consist of a round of golf (Canadian Foursomes Stableford) followed by lunch and presentation of trophies.

Doris Chambers Cup

The Doris Chambers Cup is an 18-Hole Foursomes Stableford event. The perpetual trophy was donated by Miss Doris Chambers OBE, former Ladies Golf Union President and was first played in 1950.

Competition Procedure

The Doris Chambers Cup is played in two stages. Both stages will take the form of 18 holes Foursomes Stableford.

First Stage (Club Qualifying): Club Qualifying round date will be decided by each participating club. Each pair will pay the nominated entrance fee to compete. The pair recording the best 18-Hole Foursomes Stableford score will proceed to the State Final. Clubs are to forward their entry form to Golf Victoria by the specified date.

Second Stage (State Final): There will be two State Finals, both conducted by Golf Victoria. Club qualifiers will compete at their respective venue as listed in the conditions on the entry form.

Note: *Players must be a financial member of the club they are representing at all stages.*

Substitutes

If either player of the winning pair in the First Stage (Club Qualifying) is unable to compete in the Second Stage (State Final), the club may substitute the next pair down the line. They may continue this process until a pair is available to play. Clubs must contact Golf Victoria with the substitute player's names. Clubs are asked to only advise Golf Victoria should a team not be present after having entered the club in the Second Stage.

Silver Spoon

The Silver Spoon was first played in 1921 and commences with Club qualifying rounds with winners proceeding to the State Final.

Competition Procedure

The Silver Spoon is played in two stages:

First Stage (Club Qualifying): Each Golf Victoria fully affiliated club shall arrange four (4) Stroke **or** Stableford rounds on dates decided by the club. Players will pay the nominated entry fee when they play in their first qualifying round. Players may enter in one or all four of the Club Qualifying rounds.

The winner of each round, plus ties, shall then play-off in a 5th round, on a date decided by the club, to determine the First Stage Silver Spoon winner. The winner will then represent the club in the Second Stage where they will receive a Silver Spoon.

Second Stage (State Final): Winners from each Club Qualifying will play individual 18-hole Stableford, with the players recording the best 18-Hole Stableford Score being presented with a Case of Spoons and their name engraved on the perpetual Burtta Cheney Trophy.

PART B - Conditions of Competition

The following Conditions, in addition to those contained in the specific event Entry Form and any other additions or amendments as published, will apply under Rule 33-1.

Unless otherwise noted, the penalty for breach of a Condition is: Match Play Loss of Hole Stroke Play - Two Strokes

1. Rules of Golf

All Golf Victoria competitions shall be played in accordance with the Rules of Golf as adopted by R&A Rules Limited, together with such local rules as are in force on the course over which the competition rounds are being played. If any dispute arises on any point, it shall be decided by the relevant Championship Committee whose decision shall be final.

In addition, all players are required to adhere to Golf Victoria's Code of Conduct for the duration of the Championship. It should be noted that players will be subject to disqualification for a breach of etiquette in accordance with Rule of Golf 33-7.

2. Conforming Golf Balls (Note to Rule 5-1)

The specimen condition on page 155 of the Rules of Golf 2016 is in effect. All competitors must play with a golf ball which is named on the current R&A Approved List of Conforming Golf Balls. An updated List of Conforming Golf Balls is available via the Golf Australia website at www.golf.org.au

3. Driving Clubs

The specimen condition on page 154-155 of the Rules of Golf 2016 is in effect. The driver the player carries must have a clubhead, identified by model and loft that is named on the current List of Conforming Driver Heads issued by R&A Rules Limited. Penalty: Disqualification.

Exception: A driver with a clubhead that was manufactured prior to 1999 is exempt from this condition.

Note: The list may be viewed via the Golf Australia website (www.golf.org.au)

4. Draw & Time of Starting

A draw for each day's play will be made and published. Players shall start at the time and in the order arranged by the Committee in accordance to Rule 6-3a. The Committee has the power to amend the draw or substitute another player for any competitor who is not at the tee at the time appointed to play. It may also alter the starting time for any player.

The Championship Committee reserves the right to fix and/or alter starting times. In the event of bad weather, or for any other reason, the Championship Committee may either shorten the tournament or appoint another day or days for completion of the Championships.

5. Pace of Play (Note 2 to Rule 6-7)

In the absence of mitigating circumstances, a group is liable to be timed if it is in excess of the time allowed and in the case of second or subsequent groups, out of position. From the commencement of timing, if any player exceeds 50 seconds on a 'first to play approach shot (including Par 3 tee shot), chip or putt', or 40 seconds if it is a tee shot or 'second or third to play shot', they shall be deemed to have had a bad time.

The time allowed will be determined by the Match Committee and will be available prior to play. Out of position is defined as being more than the starting interval behind the group in front.

A player whose group is timed will have a bad time carried forward in the round even if the group subsequently arrives back in position or within time.

PENALTY FOR BREACH OF CONDITION:

1st bad time:	Player will be warned by the official and told that if they have a further bad time they will be penalised.	
	Stroke Play	Match Play
2nd bad time:	One-stroke penalty	Loss of Hole
3rd bad time:	Additional two-stroke penalty	Loss of Hole
4th bad time:	Disqualification	Disqualification

When Timing Commences:

Other than on the putting green, the timing of a player's stroke will begin when it is their turn to play and they can play without interference or distraction. Reasonable time spent by the first player to play in determining their yardage will not count as time taken for the next stroke.

On the putting green, the timing of a player's stroke will begin after a player has been allowed a reasonable amount of time to mark, lift, clean and replace their ball, repair ball marks and remove loose impediments on their line of putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as part of the time taken for the next stroke.

6. Practice (Rule 7)

Prior to a stipulated round in stroke play, a player may practice on the designated practice areas. Rule 7-1b applies to other practice in stroke play, and Rule 7-1a covers practice before the round in match play competitions with the exception of Golf Victoria Pennant competitions.

7. Distance Measuring Devices

Golf Victoria has adopted the following as a standard event condition for all GV Events including Pennant (but excluding the Championship rounds of the Victorian Open) in relation to Distance Measuring Devices:

Players may obtain distance information by using a device that measures distance only. However, if during a GV event (including Pennant), a player uses a distance measuring device that is designed to gauge or measure other conditions that might affect his/her play (eg, gradient, wind speed, etc.), the player is in breach of Rule of Golf 14-3, for which the penalty is as follows:

PENALTY FOR BREACH OF RULE:

	Stroke Play	Match Play
1st breach:	Two-stroke penalty	Loss of Hole
Subsequent breach:	Disqualification	Disqualification

Note:

A multi-functional device, such as a smartphone or PDA, may be used as a distance-measuring device, but it must not be used to gauge or measure other conditions where doing so would be a breach of 14-3.

Where the device contains other applications or features (e.g. a camera, video camera or spirit level), provided these applications or features are not used during a round in such a way that could assist the player in his play (e.g. videoing swing to analyse fault or gauging slope or green contours), the distance-measuring application is permitted.

As the Internet is now available on most mobile phones and multi-functional devices, it is possible to access information through this route at any time. Provided the player, during a round, does not use the Internet to access information or find measurement tools which would, if used, be a breach of Rule 14-3, there is no breach of the Local Rule and the phone may be used as a distance-measuring device.

8. Mobile Phones

The use of a mobile phone or portable phone by a competitor or his caddie, whilst on the golf course during an event is distracting and inconsiderate. If the competitor or caddie is in the possession of a mobile or portable phone it should be turned off. If the phone rings this is deemed to be in use and the committee may take disciplinary action against the offending player in accordance with the concluding paragraph of section 1, Etiquette of the Rules of Golf.

Exception: Players/caddies are permitted to make phone calls from the course to the clubhouse or to event officials for rules/emergency assistance.

Note: In deciding whether a penalty should be applied the Match Committee will consider Decision 33-7/8 "Meaning of "Serious Breach of Etiquette" of the R&A Decisions on the Rules of Golf 2016.

9. Golf Footwear

All players are required to wear golf footwear in accordance with host club policy. At all event venues, no player is permitted to wear shoes with metal or traditionally designed spikes. Penalty: disqualification.

10. Suspension of Play Due To a Dangerous Situation (Note To Rule 6-8b)

The specimen condition No. 4 on pages 158 of the Rules of Golf 2016 is in effect. All practice areas are closed during suspension due to a dangerous situation until the Championship Committee has declared them open. The following signals will be used:

Discontinue Play Immediately: One prolonged note of siren.

Discontinue Play: Three consecutive note of siren, repeated.

Resume Play: Two short notes of siren, repeated.

11. Returning Of Score Card

A player must return his card as soon as possible after completion of his round and his score card is deemed officially returned to the Championship Committee when the player has left the designated recording area.

12. Results of the Competition - Competition Closed

Match Play: The result of a match is deemed officially announced when it has been officially recorded in the Championship Office. In interclub matches, the result of the match is deemed officially announced when it has been recorded on the official result sheet signed by the team representatives.

Stroke Play: The competition is closed when the trophy has been presented to the winner or, in the absence of a prize ceremony, when all scores have been approved by the Championship Committee.

13. Drugs

All competitors are subject to drug testing by the Australian Sports Anti-Doping Agency for banned substances as laid down in Golf Australia's Anti-Doping Policy. Any competitor infringing this policy, or refusing to take a test, will be disqualified and subject to any sanction(s) brought down by ASADA. A list of the prohibited substances will be available at registration. Clarification of any medication can be obtained via the ASADA hotline – 13 000 ASADA (13 000 27232), or from www.asada.gov.au.

The penalty for use of banned substance will be at the discretion of Golf Victoria Match Committee in accordance with the Golf Victoria Code of Conduct.

Golf Victoria Transportation Policy:

The provisions of the Golf Victoria Transportation Policy apply to all amateur Championship and State events, except where the event Conditions specifically note otherwise.

During play in Golf Victoria events (unless otherwise stated in the event conditions), it is prohibited for a player or his caddie to ride in or on a motorised vehicle unless specific written permission has been granted by the Match or Championship Committee in accordance with this policy.

Exceptions: -

- (i) Rules Referees or a Championship Committee member may utilise mechanical locomotion to transport a player/caddie in the interests of pace of play where necessary without penalty.
- (ii) Permission to use motorised transport is not required by any player, caddie or official upon reaching 75 years of age. Cart usage during any GV event would still require any individual to comply with any club requirement and/or cart availability.
- (iii) Where a player is granted permission to utilise motorised transport during the GV Pennant season, the player's caddie is permitted to ride with the player for any stipulated Pennant round without separate permission being required.

A permanent or temporary exception to use motorised transport will be made in the case of a player/caddie affected by a disability.

Players/Caddies requiring the use of motorised transport for a particular GV event are required to complete and return the Motorised Transport Request Procedure Form attached as Appendix 1.

As part of this process, applicants are required to complete all details on the form and comply with the following.

- Attach a copy of your medical certificate which specifies the period of time that the exemption has been requested for. For example, 1 week, 1 month, 1 year, or indefinitely;

(**Note:** Only medical certificates from general practitioners will be accepted. Medical certificates from osteopaths, physiotherapists, podiatrists etc are **NOT** recognised and will consequently not be accepted.)
- The medical certificate must specify the period of time that the exemption has been requested for. (i.e. 1 week, 1 month, 1 year, or indefinitely);

Once the use of motorised transport is approved, an applicant will receive a confirmation letter/email informing of the outcome. The individual's name and expiry date (if applicable) will appear on the list of approved Motorised transport users for Golf Victoria events with the expiration date. This list can be found at www.golfvic.org.au under "Rules & Handicapping" → "Motorised Transport". Approved applicants may use Motorised Transport at any GV event.

Note: No specific medical conditions or contact details for the applicant will be on the list. It will be only the applicant name, home club and the expiry date (if not permanent)

Authorised players must book and pay for the golf carts with the Pro Shop at the hosting venues. Cart usage is also subject to each golf club's motorised transport policies.

Subject to the approval of the Host Club, where the Match Committee authorises caddies to use transportation, during the stipulated round, the following requirements must be adhered to:

- (a) The player does not accept a ride at any time.
- (b) The player does not accept advice from any other person travelling with the caddie.

The Penalty for breach of this Policy/Competition Condition is as provided for in Appendix I of the Rules of Golf (page 142) – Breach of Transportation Condition. (e.g. Stroke Play: 2 strokes for each hole at which a breach occurred; maximum penalty per round – 4 strokes; Match Play: Loss of hole for each hole at which a breach occurred; maximum penalty per round – 2 holes).

Procedure when breach discovered: Use of any unauthorised form or transportation must be discontinued immediately upon discovery that a breach has occurred. Otherwise the player is disqualified.

Motorised Transport Request Procedure

This form is to be used by players wishing to gain approval from Golf Victoria (GV) to use motorised transport where required. Players should refer to the specific motorised transport event conditions as authorisation is not required for all GV events.

Instructions:

2016 MONA MACLEOD BROOCH – TOURNAMENT CONDITIONS

(To be read in conjunction with the Golf Victoria Standard Event Conditions as published on the GV Website at www.golfvic.org.au)

1. COMPETITION PROCEDURE

- 1.1** The 2016 Mona MacLeod Brooch is a club event open to female members. Each club is to arrange two (2) 18-hole stroke rounds. An additional two (2) 18-hole stroke rounds may be arranged for weekend players unable to take part in midweek competition.

The first 18 hole stroke round **MUST** be played concurrently with a Silver Spoon round, of which players must have entered and paid the nominated entry fee.

There will be two divisions in both Country and Metropolitan areas available to players to compete within:

- Silver Division: GA Handicaps up to 18.4
- Bronze Division: GA Handicaps 18.5 to 45.4

Clubs are to forward the winner of each division at their club to Golf Victoria.

The winner in each Division at each club and overall winners will be determined by the number of strokes (if any) by which the course rating has been beaten over the two rounds.

- 1.2** The Mona MacLeod Brooch is to be played by each club on its own course, under the club's condition of competition of the day.
- 1.3** **The first 18-hole stroke round MUST be played concurrently with a Silver Spoon round, of which players must have entered.**
- 1.4** If a player reduces or increases her handicap during the course of the competition she shall play on her reduced or increased handicap for the second round but will continue in the Division she originally entered.
- 1.5** In the event of a tie there shall be a system of count-back as specified by Golf Australia over the last 18 holes.
- 1.6 Handicaps** – Handicap divisions (ie. Silver, Bronze) will be determined according to the player's Golf Australia Handicap. However, on the competition day the player's nett score will be calculated by subtracting their daily handicap from their gross score. The result will be determined by subtracting the daily scratch rating (DSR) from the nett score. The aggregate of these results will equal the total score. **See Example below.**

2. ELIGIBILITY

- 2.1** Eligible players are female amateurs who hold an official Golf Australia handicap at a fully affiliated Golf Victoria club who has entered the **Silver Spoon** and paid the nominated entry fee.
- 2.2** A player is eligible to compete in the Mona MacLeod brooch in all Golf Victoria affiliated clubs of which she is an amateur member provided she has entered the Silver Spoon and paid the nominated fee.
