PORT PHILLIP OPEN AMATEUR

About

The Port Phillip Open Amateur is a 72-hole stroke Championship which commenced in 1976 as a men's only event. Since its beginning it has been played annually at Kingston Heath and Commonwealth Golf Clubs within Melbourne's Sandbelt.

The event also features a women's field and serves as the qualifying rounds for the Victorian Men's and Women's Amateur Championship.

The starting field for the Port Phillip will consist of 129 male and 39 female players. According to the Championship conditions, a cut in both sections will apply after the opening two rounds to determine a maximum of 60 male and 24 female players to progress through to the final 36-holes to be played on the Sunday.

After the completion of the Port Phillip Amateur, the leading 32 male and 16 female players will advance to contest the match play rounds of the Victorian Men's & Women's Amateur Championships at Victoria Golf Club from Monday 15 December. The 36-hole finals to decide both the Men's and Women's titles will be played on Wednesday 17 December.

‘Safe thru 18’ – First Aid Information Guide for Golfers

Golf Victoria is aware that occasionally situations arise out on golf courses where first aid or emergency action is needed, and often golfers are unsure of the best way to respond.

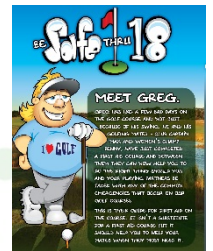

A compact and comprehensive first aid guide titled “Safe thru 18” has been developed in a format that can easily fit into a player’s bag. This guide provides information covering many situations that players may face out on course, both critical and common.

A PDF version of the ‘Safe Thru 18’ guide can be obtained via the following link:

<http://events.golfvic.org.au/content.aspx?file=40155|27510q>

In addition a complementary “Safe thru 18” guide will be available for all players at registration. Additional copies can be purchased through the Golf Victoria office for \$1 per guide.

Golf Victoria stresses that “Safe thru 18” is not designed as an alternative to a first aid course and we encourage all clubs and members to consider taking a professionally delivered first aid course.
