PRESIDENT'S REPORT

2015 was a progressive year for Golf Victoria with the implementation of the first year of the organisation's 2015 – 2017 Strategic Plan including a range of programs and activities to both stimulate participation in our sport and encourage club membership across the State.

While golf, as with many other sports and recreational pursuits, continues to face the challenges of societal change especially in terms of time availability and disposable income, it is pleasing to note that the overall number of affiliated golfers increased in 2015.

Golf Victoria is committed to working with our industry partners including parent national body, Golf Australia, the Professional Golfers Association (PGA), Australian Ladies Professional Golf (ALPG), Golf Management Victoria (GMV), the Victorian Golf Course Superintendents Association (VGCSA) and other state bodies to grow the game and support the operations of Victorian clubs and District Associations.

This was exemplified in 2015 through a collaborative initiative

with GMV in the appointment of respected former Club Manager John Stamp to the role of Club Support Officer to serve as a valuable resource to clubs in all aspects of their operations, particularly in financial and governance matters.

CEO Simon Brookhouse successfully led the organisation in conjunction with a passionate and enthusiastic team. The Board, Committee members and staff continue to be committed to the delivery of the organisation's Strategic Plan, particularly the growth of the game into the future.

The organisation's focus will very much remain on the six key strategic pillars of the Plan:

- Participation
- Communication and Awareness
- Talented Player / Elite Pathways
- Financial Sustainability
- Organisational Excellence and
- Member Service and Support

Other highlights of 2015 were:

- Further growth in prizemoney, media interest and spectator attendance at the 2015 Oates Vic Open played at 13th Beach Golf Links and won by Victorian Richard Green and Norway's Marianne Skarpnord.

After having been the Victorian Junior Boys Champion in 1991, it was particularly special to see Richard win the State Open given his long-time support of both Victorian golf and the event itself.

The third successive playing of the Championship at 13th Beach saw the event continue its rapid momentum and consolidate its unique place in Australian and International golf. With appreciated support

from the State Government, City of Greater Geelong, our naming rights partner Oates and a number of local sponsors, the Championship was an outstanding success.

In addition to providing a pinnacle State golf event for men and women, it also provides a very clear example of all that is good about men and women participating in golf together. It is particularly encouraging to now see other major amateur and club events follow a similar path with men and women simultaneously competing for major titles.

- The return of Mazda as naming rights sponsor of the Victorian Four Ball Championship for a three year agreement commencing in 2015. The Championship saw two cars awarded as hole in one prizes during the qualifying rounds with close to 1900 golfers participating across the State.
- Victoria winning all four Interstate Teams titles – Boys, Girls, Men's and Women's for the first time in Australian golf history. The victories highlight the excellent work undertaken in the area of high performance within Victoria over the past five years.
- Consolidation of GV's Regional Development Officer initiative with three officers liaising with country districts and clubs on a range of game development, Junior development and club health matters. This program has been well received and will be expanded further in 2016 as a service to country clubs.
- The introduction of the revised Golf Victoria Website and related social media (including GVTV) to further improve

communication to golf clubs and Victorian golfers.

- Towards the end of the year, it was determined to leave the inaugural home of Golf Victoria in Notting Hill following amalgamation in 2010 and relocate the GV Office to Cheltenham resulting in further long-term cost savings prior to securing a permanent home for golf in conjunction with Golf Australia and the PGA.
- Ongoing conduct of a range of golf events and service activities to Victorian golf clubs and golfers.

Without the continued and appreciated commitment and contribution of our tireless volunteers, the success of all of our events would not be possible. The professionalism and efficiency of our volunteers is a major reason for our events being held in such high regard. I thank all of you and I look forward to seeing you on the courses over the next year.

Once again in 2015, we witnessed some superb golfing achievements which are highlighted in detail within this Annual Report. Congratulations are extended to all respective State Champions and players who represented our State at senior and junior level. We continue to develop fine quality golfers and are very proud of the commitment these golfers provide to Victorian golf.

The year also had moments of sadness and reflection and during September the golf industry mourned the loss of Paul Rak OAM, much loved and respected Chief Executive Officer of the Royal Melbourne Golf Club. Paul was a friend and confidant to many in the golf industry and

enjoyed an outstanding club management career spanning over 40 years. Golf Victoria's sincere sympathies are extended to the Rak family. Paul made a superb contribution to Victorian golf and will be sadly missed.

In closing and after having been privileged to serve Victorian golf since being elected to the Victorian Golf Association (VGA) Council in 1994, I can advise the membership that I'll be retiring as Golf Victoria President at the 2016 Annual Meeting in late May.

I have thoroughly enjoyed working for Victorian and Australian golf over the past 22 years and will take many cherished memories into retirement, particularly in meeting so many dedicated, hardworking and passionate men and women at golf clubs and within District Associations all over Victoria during this time.

In addition to the many golf friendships made over the journey, the highlights of my time in office have been numerous. However I'm particularly proud of being involved with the amalgamation between the VGA and Women's Golf Victoria (WGV) in 2010 to form a unified Golf Victoria after both former entities had existed separately for over a century.

The amalgamation process commenced in 2005 and involved resolving numerous governance and structural issues to ensure gender equity and the establishment of an appropriate basis to administer men's and women's amateur golf into the future. A key determinant was to establish a single entity to speak on behalf of and represent Victoria's 110,000 club members.

The introduction of the revised Victorian Open Championship

as a joint Men's and Women's Annual event for professional and amateur golfers was another wonderful initiative to have been a part of. It's been especially pleasing to witness the event's growth since first played in this format from 2012.

The Victorian Open is the first event of this type played in world golf, where both men and women play side-by-side for equal prize money. The model has been so successful that the World's major professional men's and women's tours are looking at replicating our success.

To all the staff of Golf Victoria both past and present, I would also like to express my gratitude for your efforts. The professionalism you exhibit is exceptional. Thank you all, it has been a pleasure working with you.

Similarly to my fellow board members I acknowledge your contribution to the governance of this organisation and for your willingness to spend many hours attending events and activities throughout the State to ensure that the Board is seen to be inclusive of all stakeholders by interacting with a variety of golfers, club and district officials to explain the strategic direction of the organisation and to obtain valuable feedback in relation to its performance.

I'm certain that the Board, Committee members and staff of Golf Victoria will continue to drive golf forward in 2016 and beyond and with the collaboration and support of clubs, Districts and individual golfers, Golf Victoria will prosper well into the future.

For my final time, remember golf is "The Game for Life".

Participation

Total male membership numbers for 2015 were 86,478 representing an increase of 1662 (2%) over the previous year. Total female membership numbers declined marginally in 2015 to 23344 players.

In total, seven of the 15 District Associations are now amalgamated entities representing both women's and men's golf in country Victoria.

Mansfield Golf Club

In Memoriam

Golf Victoria formally recognises the passing of major contributors to golf during 2015:

Paul Rak OAM

The Australian Golf Industry lost one of its most valuable contributors when Royal Melbourne Golf Club chief executive

officer Paul Rak passed away after an extended battle with cancer in September 2015.

Paul was a thorough gentleman who was a friend, role model and mentor to many in the golf industry over a long and distinguished career.

Paul had a long association with Royal Melbourne having first worked at the club as a caddie in 1968, aged 14.

He then moved to the club's bar and became assistant bar manager in 1974. During the next 20 years, he became house manager, assistant secretary and club manager.

In 1994, he was appointed general manager at the Kingston Heath Golf Club and served the club with distinction for 14 years. In 2008, Paul returned to Royal Melbourne as chief executive officer.

Paul had a passion for golf and worked tirelessly over many years to promote the sport. Golf Victoria records its thanks and appreciation for his outstanding contribution to the Australian golf community and positively influencing the lives of so many.

On top of the existing presence on Twitter, Facebook and YouTube, Golf Victoria expanded onto two new social media platforms in 2015. Establishing accounts on Instagram (@golf_vic) and Snapchat (golfvictoria) extended our ability to

interact with the golfing market, in particular a younger demographic where we have observed high engagement across the two newest platforms.

In 2015, we also launched Golf Victoria TV (GVTV), a monthly digital episode highlighting a range of events, interviews and feature stories. DEVELOPMENT

Victorian Institute of Sport

The Victorian Institute of Sport Golf Program has played a pivotal role in developing Victoria's leading players since its introduction in 1990. Each year graduates from the program and current scholarship holders feature prominently in pinnacle amateur competitions and world professional golf tournaments.

VIS Golf Program graduates have achieved an outstanding record of tournament wins including in excess of fifty victories on the US PGA Tour, European PGA and Australasian PGA tours plus other victories in major events in South Africa, Japan and Asia.

This record stands as testament to the contribution made to junior development and high performance by Victoria's golf clubs, District Associations, Golf Victoria and the world recognised quality of the VIS program and the ongoing level of excellence in its coaching, sports science and life skill contributions.

Congratulations and thanks are extended to Martin Joyce (Head Coach), Darren Cole (Assistant Coach) and the team of VIS sports science professionals and support staff who have worked so successfully with our talented emerging players.

Support with equipment has been again provided through a valued "Titleist" partnership with the Acushnet company.

Thanks are also extended to all golf clubs which assisted the program by making their courses available for training sessions.

Victorian Golf Foundation

During 2015, a total of \$98,000 was provided by the Victorian Golf Foundation in grants to clubs and District Associations and for support to state-level golf development programs. The majority of this funding is directed towards junior golf development and women's participation initiatives.

Since the commencement of its annual funding and grants program in 1995, the VGF has injected a total of over \$3.1 million towards keeping Victorian golf and golf clubs healthy. The application process was also amended in 2015 to allow Golf clubs to apply online for funding.

MyGolf Junior Program

2015 was a great year for the MyGolf junior program, Australia's national junior introductory program to generate participation in golf. Victoria finished the year in a strong position with 85 active MyGolf Centres and a tally of 2196 registrations. Victoria is

leading all Australian States and Territories in the take up of the MyGolf program.

As part of the MyGolf program Golf Victoria held activations at the Australian Masters and Victorian Open allowing local school students to come and try golf as well as see some of best Australian and international players compete.

Sporting Schools a \$100 million Australian Government initiative designed to help schools to increase children's participation in sport, and to connect children with community sport was launched in mid-2015.

Golf is one of 30 Sports that will be a part of Sporting Schools to help coordinate sporting coaches and teachers to deliver sport before, during and after school.

94 MyGolf Sporting Schools actively delivered golf programs.

The Community Instructor program has been designed to grow the sport of golf through the effective development of a volunteer workforce at the grassroots level, with a long-term vision of Community Golf Instructors working alongside PGA Professionals in program delivery at golf courses, driving ranges and schools.

In 2015, 19 MyGolf Club accreditations, six MyGolf Schools accreditations (non-teacher accreditation) and 63 MyGolf Schools accreditations (teacher accreditation) were completed.

DEVELOPMENT

Schools Golf

Golf Victoria, Golf Australia and the PGA of Australia continued a partnership with School Sport Victoria (SSV) as one of only nine tier 1 Victorian sports to have a sport specific Sub Committee. The Sub Committee focusses on strategies to grow golf participation in Victorian Schools. The three main areas of focus are teacher professional development, participation in school golf events and participation in school based MyGolf Sporting Schools programs.

As part of the Australian Masters in November, the SSV Golf Sub Committee held a Teacher professional development day at Oakleigh South Primary School with 88 Victorian school teachers in attendance on the day. Each of the teachers completed a Community Instructor MyGolf Schools accreditation (teacher accreditation) online through the PGA. Within practical components of the day, PGA Professional Golf Coaches and school golf experts provided teachers with required skills and strategies to deliver the MyGolf Schools/Sporting School's program within the school environment.

The Victorian Primary Schools Golf event entered its 16th year in 2015 with the participatory competition attracting 2662 primary school students throughout the State. Total numbers were marginally lower than 2014 although a positive sign is that 33% of all participants were female students.

2015 was the first year of Golf Victoria's operation of the qualifying rounds of the Victorian Secondary Schools Golf Event – Junior (Years 7-9).

As with the Victorian Primary Schools Golf event Golf Victoria is aiming to grow participation numbers each year. After our initial improvements to the event we will now operate the entire event with secondary students from School Sport Victoria affiliated schools in years 7-12 being eligible to compete from 2016 and beyond.

PlayGolf and Community Activations

PlayGolf is the umbrella brand for Golf Victoria's Adult Development pathway, created to include Swing Fit, PlayGolf Clinics and on-course mentoring as part of club membership options offered to participants.

Broken Hill Community Activation

In 2015, 997 participants registered into one of the 63 programs at 47 Victorian Golf Clubs which took part. Each of the PlayGolf clubs had an appropriate pathway in place for participants to eventually join the club. 125 new golfers took up some level of club membership following the program.

In mid-2015 Swing Fit Australia's national women's program to increase and promote female participation in golf was launched by Golf Australia. Golf Victoria aims to create awareness and grow participation amongst women of all ages in the Swing Fit program as a priority and has been successful in sourcing funding for the period 2015-2018 from Vic Health to assist with this project.

2015 also saw the introduction of Golf Victoria's Community Activations project to further promote golf, Golf Victoria and its programs, activities and events. An inflatable hitting bay was purchased and used at the Royal Melbourne Show, Melbourne Stars Family Day, Whitehorse Council Spring Festival, Broken Hill Country Club, Frankston Mayor's Picnic and Disability Sport & Recreation Expo at Federation Square with over 3000 visitors participating.

PlayGolf Month

Golf Australia expanded the "PlayGolf Week" initiative in 2015 to "PlayGolf Month" and all Victorian Clubs were invited to participate. The goal was to re-engage with players/members who for whatever reason had drifted away from the game. 73 Victorian Clubs created an online activity via the Golf Australia website with either a membership offer or a Come and Try Clinic.

Golf Victoria launched the month with a golf activation site for the full duration of the Royal Melbourne Show as well as initiating the "Coffee Cup" challenge. This activity

encouraged individuals to film themselves putting a golf ball into a coffee cup and then uploading the video to the internet, challenging others to surpass their effort. The promotion was specifically aimed at raising awareness of golf as a fun activity.

Regional Development Officers

Golf Victoria appointed a part time Metropolitan Club support officer to complement the existing three regional development officers. The primary role of all officers is to assist Golf Clubs with a range of issues including governance, marketing, membership recruitment and retention. Part of the role involves linking clubs with government initiatives and funding.

The districts currently being serviced are Metropolitan Melbourne, Ballarat, Geelong, South Western, Bendigo, Goulburn Valley, Dalhousie, Northern and Gippsland. Due to the overwhelming success of this joint initiative between Golf Victoria and the Victorian Golf Foundation the number of regional officers will be expanded in 2016.

DEVELOPMENT

Technical Services

Rules of Golf & Amateur Status

2015 saw a change in direction for Club level rules accreditation with the three hour, multiple choice, exam going online. Some 46 Club level workshops were held around Victoria with a focus on supporting Regional Clubs. Attendance numbers were very good with many attendees going on to complete the online exam. Victoria now boasts well over 1600 Club level accredited referees who are qualified to officiate at their club.

In addition 14 Club level accredited referees went on to successfully complete the State level accreditation program and now participate in refereeing at many of the State and National events including the Victorian Open and Metropolitan Pennant. In November 170,000 copies of the 2016 rules book were distributed to all Victorian Clubs with the principal changes listed.

National Operational Forum

Golf Victoria operational staff attended a Golf Australia National forum in August to discuss issues surrounding social golf clubs, developments around the rules education programs for both Club and State level, upcoming changes to both the Rules of Golf and Rules of Amateur Status in 2016.

Discussion also centered on feedback received about the GA Handicap System, statistical auditing of slope ratings, functionality of the Golflink website, pace of play and championship conditions.

R&A – 2016 Rules of Golf Presentation

During November, the R&A Rules of Golf Chairman, David Bonsall and R&A Director – Rules, Grant Moir visited Australia to undertake presentations on changes to the Rules of Golf effective as of 1 January 2016; provide an overview on a major review of the Rules of Golf currently being undertaken by the R&A and USGA and answer general questions on the rules of the game.

The Melbourne presentation was held at the Commonwealth Golf Club on Sunday 1 November and was attended by approximately 100 representatives from clubs and Districts from all over Victoria.

As part of the visit, the R&A representatives also convened a forum where they invited contributions from a range of golf industry, club and district individuals on addressing pace of play and explored the key areas of player behaviour, management approaches, golf course issues and possible simplification of the rules of golf. This forum worked through the findings of The R&A pace of play survey of golfers and it also discussed an equivalent Golf Australia survey of Australian clubs.

State Government of Victoria – Support

Golf Victoria gratefully acknowledges the financial

support and consultative advice received from the State Government of Victoria towards the following programs and events in 2015:

- MyGolf Junior Development Program
- PlayGolf Program
- SwingFit
- Men's & Women's Victorian Open

Golf Victoria is also pleased to report that funding has been provided for the next three and a half years for Golf Victoria to rollout an inclusion program, focusing on golf development for people with a disability.

Community Impact of Golf Study

In 2015, after receiving funding from Vic Health, Golf Victoria commissioned the "Community Impact of Golf in Victoria" report to determine the contribution that golf provides to the wider Victorian community.

The aim of the project is to understand the community contribution generated across the three key areas of economic, health and social benefits and the results show the significant impact the sport of golf has on Victoria.

Golf Club Land Re-Zoning

Golf Victoria has been working closely with metropolitan golf clubs, who are relocating or merging, and who are relying on having their golf course land – their only valuable asset – included within the Urban Growth Boundary. Regular discussions are ongoing with State Government about sites that require re-zoning for redevelopment.

Grants

In 2015, Golf Victoria received a grant from VicHealth's State Sport Program to increase the level of physical activity through new, innovative golf programs specifically designed for women aged between 18 and 39. The rollout of Swing Fit and Playgolf clinics in 2016 is part of this program.

In 2014-15 golf clubs around Victoria received state government grants under the following programs:

- Sporting Uniform grants
- VicHealth Active Club grants
- Coach accreditation
- Junior programs
- Female participation
- Emergency sporting equipment grants
- Victalent
- Country Action Grants
- Elite Athlete Travel Grants program

INDEPENDENT AUDIT REPORT

Golf Victoria

SCOPE

The Financial Report and Directors' Responsibility.

The financial report is for the year ended 31 December 2015 and is comprised by the Income Statement, Balance Sheet, Notes to the financial statements and the Statement of Cash Flows. The financial report is a special purpose financial report utilising the Australian Accounting Standards Reduced Disclosure Requirements as appropriate for not for profit oriented entities. These financial statements do not necessarily comply with International Financial Reporting Standards issued by the International Accounting Standards Board.

The Board and management of Golf Victoria is responsible for the preparation and true and fair presentation of the special purpose financial report and has determined that the accounting policies used and described in Note 1 to the financial statements which form a part of the special purpose financial report are appropriate to meet the requirements of the Corporations Act 2001 and are appropriate to meet the needs of the members. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the special purpose financial report.

The special purpose financial report has been prepared for distribution to members for the purpose of fulfilling the Board's financial reporting requirements and the Corporations Act 2001. We disclaim any assumptions of responsibility for any reliance on this report or on the special purpose financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

AUDIT APPROACH

We conducted an independent audit in order to express an opinion to the members of the company. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the special purpose financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that any or even all material misstatements have been detected.

We perform procedures to assess whether in all material respects the special purpose financial report is presented fairly, in accordance with the accounting policies described in Note 1, so as to present a view which is consistent with our understanding of the company's financial position, and of its performance as represented by the results of its operations. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia. No opinion is expressed as to whether the accounting policies used and described in Note 1, are appropriate to the needs of the members.

We formed our audit opinion on the basis of these procedures, which included;

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the special purpose financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates by the committee.

While we considered the effectiveness of management's

internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

INDEPENDENCE

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

AUDIT OPINION

In our opinion, the special purpose financial report presents fairly in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of Golf Victoria as at 31 December 2015 and the results of its operations for the financial year then ended, as represented by the books and records of the company as presented to us for examination.

EMPHASES OF MATTER BASIS OF ACCOUNTING

Without modifying our opinion, we draw attention to Note 1 to the special purpose financial report, which describes the basis of accounting and specifies that these financial statements are a special purpose financial report. The special purpose financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the Corporations Act 2001. As a result, the special purpose financial report may not be suitable for another purpose.

Notes to the Financial Statements

For the year ended 31 December 2015

1. Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial report preparation requirement of the Corporations Act 2001. The directors have determined that the company is not a reporting entity.

The financial report is for entity Golf Victoria as an individual entity. Golf Victoria is a company limited by guarantee, incorporated and domiciled in Australia.

The financial report has been prepared in accordance with requirements of the Corporations Act 2001, and the following applicable Accounting Standards:

Framework for the Preparation and Presentation of Financial Statements

AASB 102: Inventories

AASB 107: Cash Flow Statement

AASB 110: Events after the Balance Sheet Date

AASB 116: Property, Plant and Equipment

AASB 118: Revenue

AASB 1031: Materiality

No other applicable Accounting Standards, Urgent Issues Group Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The report is also prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

a) Inventories: Inventories are measured at the lower of cost and net realisable value. Costs are assigned on the first-in first-out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

b) Property, Plant and Equipment: Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

Property - freehold land and buildings are measured on the fair value basis being the amount which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction.

Plant and Equipment - Plant and equipment are measured on the cost basis.

Depreciation - All assets, excluding freehold land and buildings, are depreciated on a straight line basis over their useful lives to the company.

c) Investments: Non-current investments are measured on the cost basis. The carrying amount of investments is reviewed annually by directors to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value of shares in listed companies or the underlying net assets for other non-listed corporations. The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts.

d) Employee Benefits: Provisions are made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be

Notes to the Financial Statements

For the year ended 31 December 2015

settled within one year together with benefits arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at the amount expected to be paid when the liability is settled plus related on-costs.

Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred.

e) Cash: For the purposes of the Statement of Cash Flows, cash includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months and net bank overdrafts.

f) Revenue: Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Dividend revenue is recognised when the right to receive a dividend has been established. Dividends received from associates and joint venture entities are accounted for in accordance with the equity method of accounting. Other revenue is recognised when the right to receive the revenue has been established. All revenue is stated net of the amount of goods and services tax (GST).

g) Goods and Services Tax (GST): Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or as part of an item of expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

h) Programs, Competitions and Grants: Income and expenditure relating to programs, competitions and grants are matched and brought to account at the time the program or competition is conducted. Unspent grant monies are held in Membership and other Fees received in Advance.

i) Financial Instruments: Financial assets and liabilities are recognised when Golf Victoria becomes a party to the contractual provisions of instrument. For financial assets, this is equivalent to the date that Golf Victoria commits itself to either purchase or sell the assets. Financial instruments are initially measured at fair value plus transaction costs. Where the instrument is not classified "at fair value through profit and loss" transaction costs have been expensed immediately. Financial instruments are subsequently measured at either fair value, amortised using the effective interest rate method cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances other valuation techniques are adopted.

j) Staff Superannuation Fund: Golf Victoria contributes to approved superannuation funds on behalf of its employees.

INDEPENDENT AUDIT REPORT

Victorian Golf Foundation

SCOPE

The Financial Report and Trustees-Responsibility.

The financial report is for the year ended 31 December 2015 and is comprised by the Income Statement, Balance Sheet and Notes to the financial statements. The financial report is a special purpose financial report utilising the Australian Accounting Standards Reduced Disclosure Requirements as appropriate for not for profit oriented entities. These financial statements do not necessarily comply with International Financial Reporting Standards issued by the International Accounting Standards Board.

The Trustees and management of the Victorian Golf Foundation is responsible for the preparation and true and fair presentation of the special purpose financial report and has determined that the accounting policies used and described in Note 1 to the financial statements which form a part of the special purpose financial report are appropriate to meet the requirements of relevant legislation and are appropriate to meet the needs of the members. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the special purpose financial report.

The special purpose financial report has been prepared for distribution to members for the purpose of fulfilling the Board's financial reporting requirements and relevant legislation. We disclaim any assumptions of responsibility for any reliance on this report or on the special purpose financial report to which it relates to any person other than the members / trustees, or for any purpose other than that for which it was prepared.

AUDIT APPROACH

We conducted an independent audit in order to express an opinion to the members of the company. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the special purpose financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that any or even all material misstatements have been detected.

We perform procedures to assess whether in all material respects the special purpose financial report is presented fairly, in accordance with the accounting policies described in Note 1, so as to present a view which is consistent with our understanding of the company's financial position, and of its performance as represented by the results of its operations. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia. No opinion is expressed as to whether the accounting policies used and described in Note 1, are appropriate to the needs of the members.

We formed our audit opinion on the basis of these procedures, which included;

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the special purpose financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates by the committee.

While we considered the effectiveness of management's

internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

INDEPENDENCE

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

AUDIT OPINION

In our opinion, the special purpose financial report presents fairly in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of the Victorian Golf Foundation as at 31 December 2015 and the results of its operations for the financial year then ended, as represented by the books and records of the foundation as presented to us for examination.

EMPHASES OF MATTER: BASIS OF ACCOUNTING

Without modifying our opinion, we draw attention to Note 1 to the special purpose financial report, which describes the basis of accounting and specifies that these financial statements are a special purpose financial report. The special purpose financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under relevant legislation. As a result, the special purpose financial report may not be suitable for another purpose.

Notes to the Financial Statements

For the year ended 31 December 2015

1. Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial report preparation requirements of the Trust Deed to prepare a financial report. The trustee have determined that the trust is not a reporting entity.

As the Trustees have determined that the trust is not a reporting entity there is no requirement to apply applicable Accounting Standards, Urgent Issues Group Consensus Views, or other authorising pronouncements of the Australian Accounting Standards Board in the preparation and presentation of these financial statements.

The financial report is also prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with previous period unless otherwise stated, have been adopted in the preparation of this financial report:

(a) Income Tax: No provision for income tax has been raised as the trust is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(b) Investments: Non-current investments are measured on the cost basis. The carrying amount of investments is reviewed annually by trustees to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for shares in listed companies or the underlying net assets for other non-listed corporations. The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts.

(c) Cash: Cash includes cash on hand and at banks including at call deposits with banks.

(d) Trust liabilities and right of Indemnity: The company acts as trustee of a trust and liabilities have been incurred on behalf of that trust in the company's capacity as corporate trustee. Liabilities incurred on behalf of the trust are not recognised in the financial statements when it is not probable that the company will have to meet any of those trust liabilities from its own resources. When it is probable that the company will have to meet some trust liabilities a liability for the Deficiency in Trust Right of Indemnity is brought to account. Details of the trust liabilities, the offsetting right of indemnity, and any deficiency in the right of indemnity are disclosed by way of note to the financial statements.

(e) Goods and Services Tax (GST): Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation /office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or as part of an item of expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

The Victorian Golf Foundation (VGF) was established in 1987. Following an initial period of capital building, the Foundation Trustees in 1995 commenced making annual allocations and grants to support golf development programs and projects conducted by the State Organisation, District Golf Associations, affiliated golf clubs and allied organisations. The process of annual allocations and grants is ongoing and opportunity is provided each year for interested clubs and organisations to apply for funding support.

Since 1995 a total of approximately \$3.9 million has been expended by the VGF to benefit Victorian golf.

A VGF benefactor program was launched in 1997. Under this program the opportunity exist for any person or group interested in golf to make single or ongoing donations to assist in further building the foundation's capital fund. Donations are tax deductible as a result of the foundation being registered as an approved project of the Australian Sports Foundation.

During 2015 funds were provided to assist the following: Golf club membership promotions; school club linkage programs for juniors; community come and try clinics; District Association junior clinics and tournaments; Go Go Golf promotions in schools; Junior camps, golf in primary and secondary school; scholarship to assist professional development of golf club managers; golf promotion resource materials; and support for regional sports academies.
