Mike Peeck (22)	L(3&2)	L(3&2)					
Greg Matheson (27)	L(5&4)	L(4&2)					

*In the event that two or more players are on the same number of matches won in their pool after round three;

> Final positions will be determined based on the number of holes won during the three round robin matches played, and if two players are still tied then their individual match result will determine their position.

> If three players are tied after matches won and total holes won, then their seeding at the beginning of the Championship will determine final pool positions.
