- (iv) The competition between two District teams is known as a 'contest'.
- (v) A contest consists of seven match play matches between each district's individual players.
- (vi) The contests grouped together in the draw generally played at the same venue on the same day is a 'round'.
- (vii) A contest is 'decided' when all matches have been completed or one district has won a minimum of four individual matches.
- (viii) Championship Committee is responsible for administering the competition at the venue. See Condition 5.1.

2. Format

- (i) Women's Country Teams' Matches is a District teams scratch match play competition played between Country Districts of Golf Victoria. The competition is split up into to three divisions, in accordance with finishing positions of the preceding season and the provisions of Clause 6 of these Conditions.

The Women's Country Teams' Matches were first played in 1933. The prestigious trophy for which they compete is the Alice Colman Cup donated by the first President of the Ballarat District Ladies Golf Association. Both Division 1 and 2 receive cups being the gifts of the late Mrs. Colman while Division 3 now receives a cup donated by Mrs. L Carstairs. The Cup for Division 2 commenced in 1970.
- (ii) A Women's Country Teams' Matches competition consists of 'round robin' rounds of contests between districts in each division.
- (iii) Individual match play matches will be played under the current R&A Rules Ltd *Rules of Golf*, these Conditions and any local rules/temporary local rules determined by the host club, Match Committee and/or Championship Committee will be applicable.

- (ii) Allocation of teams to each division is according to the promotion and relegation procedures, as specified in Clause 6.2(iii). Should a team exit the competition and re-enter at a later date or should a new district be formed and enter the competition, they will enter the competition at the lowest grade for their inaugural season.
- (iii) Where the total number of competing teams in any of the divisions do not allow for the participation of 5 teams in every division, the Match Committee will determine the most equitable and practical solution.

2.3 Draw

- (i) The draw for each competition will be determined by the Match Committee.
- (ii) Unless determined otherwise by the Match Committee or the Championship Committee, each contest will be played at the venue and at times and from the tees specified in the draw.

Note: Non-stroke Club or District events such as District Pennant or club match play events (as approved by the GV Match Committee) will also count towards the minimum of 10 competition rounds.

Exception: Upon application, the Golf Victoria Match Committee will consider an exemption being granted to a player for this condition.

Exception: If an emergency player is substituting for a listed player.

4.5 Pace of play

- (i) All matches are expected to complete 18 holes in a maximum time of 3 hours and 45 minutes (approximately 12 and a half minutes per hole). In exceptional circumstances (such as extreme weather/playing conditions), the Championship Committee has the authority to modify this time requirement.
- (ii) The first match of a contest will be considered to be out of position if at any point in the round the match is taking more than an average of 12 and a half minutes per hole to play.
- (iii) Any following match will be considered out of position if it

- (v) If both players in a match are equally contributing to an unacceptable pace of play, they may be 'walked' a hole(s) until they are considered to be in position. 4.6 Suspension of play and abandonment of contests

- (i) In the event of heavy rain, lightning, fog, extreme heat, unplayable course conditions or for any other reason, the Championship Committee will be responsible for deciding whether to suspend or resume play. The signal for suspending play will be three short siren blasts. The procedure when play is suspended is outlined under Rule of Golf 6-8b.
- (ii) When the course is ready for play, players will be advised to return to their various locations. The signal for the resumption of play will be one long siren blast. Every effort should be made to complete all contests on the scheduled day.
- (iii) **Matches Yet to Commence:** If a course is declared unplayable by the host club prior to the stipulated time of the first match commencing, and remains unplayable for more than one hour thereafter, then a decision will be made by the Championship Committee with a view of abandoning play for that contest. If play is abandoned, the matches affected will be halved and the points shall be shared. Through consultation with the host club, it is the responsibility of the Championship Committee to make the final decision to abandon play.
- (iv) **Contest Commenced:** If a course is declared unplayable by the host club and the matches have commenced, the Championship Committee must **SUSPEND** play immediately. If the course remains unplayable for more than one hour thereafter, then the Championship Committee will make a decision with a view to abandoning play for that contest. If play is abandoned, the contest will be halved and the points shall be shared. Through consultation with the host club, it is the responsibility of the Championship Committee to make the final decision to abandon play.

Note: Refer to Rule 6-8 c and d with regard to lifting and replacing ball for suspension of play.

4.7 Practice

- (i) Players are not permitted to practice on the course on the day of competition prior to the commencement of their matches. Breach of this condition will be disqualification of the player or players involved. Prior to the commencement of their matches, players may practise on the designated practice areas of the host club and in accordance with the exception to Rule of Golf 7-1.
- (ii) Following the commencement of their matches, players may practise in accordance with Rule of Golf 7-2. However, players should note that penalties may still be applied in accordance with Rule of Golf 6-7 to any player who delays play by such actions.

4.8 Motorised Transport

- (i) Players, caddies and team managers are not permitted to ride in or on any form of motorised transport during the play of a hole.
- (ii) In accordance with the Golf Victoria Transportation Policy, an exemption from Clause 4.8 (i) may be granted by Match Committee for a player, caddie or team manager who suffers a permanent disability, or who is recovering from serious illness or injury that does not permit them to reasonably walk the golf course.

The following must be submitted to Golf Victoria to gain exemption:

- (a) a certificate or letter from a Medical Practitioner specifying:
 - i. the disability by which the player, caddie or team manager is affected;
 - ii. the medical practitioner's opinion that the disability necessitates the player, caddie or team manager requiring the use of motorised transport in order to participate in the competition;
- (b) the Motorised Transport Approval Return Form as found on the GV website at www.golfvic.org.au under Rules & Handicapping - Motorised Transport.

Golf Victoria accepts no responsibility for the availability of motorised transport at Host Clubs, or as to whether or not permission is granted to use it. When an exemption is granted, the use of such locomotion must solely serve the purpose of transportation — the use of motorised transport must not provide the player or caddie with a benefit greater than a walking player or caddie may achieve.

- (iii) The penalty for breach of Clause 4.8 (i) by a player or caddie is as follows:

At the conclusion of the hole where the breach is discovered, the state of the match is adjusted by deducting one hole for each hole at which a breach occurred; maximum deduction per round – Two holes. If a breach is discovered between the play of two holes, it is deemed to have been discovered during play of the next hole, and the penalty must be applied accordingly.

Use of any unauthorised form of transportation must be discontinued immediately upon discovery that a breach has occurred. Otherwise, the player is disqualified.

A breach of this condition by a team manager will be subject to penalty as determined by the Match Committee.

Exceptions:

- (a) To assist the pace of play, Referees and/or Championship Committee members may utilise motorised transport to transport a player and/or caddie without penalty.
- (b) The Championship Committee is authorised to permit all team managers at a venue to use carts if there are sufficient carts available for all managers after satisfying the requirements of all Championship Committee members and Referees.
- (c) Where a player is granted permission to utilise motorised transport during the Women's Country Teams' Matches competition, the player's caddie is permitted to ride with the player for any stipulated contest without separate permission being required.

4.9 Team Manager

- (i) Each team shall appoint a team manager. The team manager must be a member or employee of the team's district. An employee may include a club manager, professional or member of staff. The team manager must be identified on the team list submitted prior to the start of the contest.
- (ii) In accordance with the Note to Rule of Golf 8-1, team managers are authorised to give advice to members of her team. Team managers are not part of a match and are considered to be outside agencies. Districts appointing team managers ineligible under Clause 4.9(i) will be subject to penalty as determined by Match Committee.
- (iii) A player accepting advice from persons other than her team manager or her caddie will be subject to penalty in accordance with Rule of Golf 8-1.

4.10 Distance Measuring Devices

A player may obtain distance information by use of a distance-measuring device. If during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his/her play (e.g. elevation changes, wind speed, etc.), the player is in breach of Rule of Golf 14-3, for which the penalty is loss of hole for the first breach and disqualification for any subsequent breach.

Note: Where the device contains other applications or features (e.g. a camera, video camera or spirit level), provided these applications or features are not used during a round in such a way that could assist the player in his/her play (e.g. videoing swing to analyse fault or gauging slope or green contours), the distance-measuring application is permitted.

As the Internet is now available on most mobile phones and multi-functional devices, it is possible to access information through this route at any time. Provided the player, during a round, does not use the Internet to access information or find measurement tools which would, if used, be a breach of Rule 14-3, there is no breach of the Local Rule and the phone may be used as a distance-measuring device.

4.11 Dress, footwear and course requirements

- (i) Players and caddies are required to wear footwear in accordance with host club policy. Penalty for breach: Disqualification of player.
- (ii) Caddies must be attired in accordance with host club dress standards and any caddie not attired in this manner will be withdrawn.
- (iii) Players or caddies who fail to adhere to the host club's dress and course requirements (eg. failure to carry/use sand buckets, slicks on buggies, returning buggies to the pro-shop, littering, leaving the car park in an untidy state etc) will be subject to sanction in accordance with the GV Code of Conduct.
- (iv) Districts are strongly encouraged to ensure that their supporters are attired in accordance with the host club's dress standard.

5. Adjudication

5.1 Championship Committee

- (i) The Championship Committee is responsible for administering the competition at the venue.
- (ii) The Championship Committee will be comprised of the GV Chief Operating Officer, GV Golf Events Coordinators, GV Chairman of Match Committee, and GV Chair of Women's Advisory Group, whether present or not, as well as an appointed Golf Victoria Representative and Rules Referee at each venue.
- (iii) In the absence of the full Championship Committee, such members thereof as may be present at any time may give a decision and any decision shall be deemed the decision of the full Championship Committee.
- (iv) In the event of bad weather, or for any other reason, the Championship Committee may shorten the competition, appoint another day or days for completion of, or may transfer play to another course. Protests must be made to the Championship Committee no later than 10 minutes after the conclusion of each round.
- (v) Should any Women's Country Teams' Matches condition or competition administration dispute arise at a venue, prior to determining any such dispute, the Championship Committee is required to ascertain relevant details (either orally or in writing) from one representative of each district or clubs involved and any other relevant party. Following consideration of the matters of the dispute, the Committee decision must be conveyed to each representative from the district or districts involved.
- (vi) Unless otherwise indicated, the Championship Committee does not have the authority to alter or vary any Women's Country Teams' Matches condition.

5.2 Referees

- (i) Referees will be appointed by GV to each Women's Country Teams' Matches venue to adjudicate on rules queries between players and pace of play issues as they arise (including issuing of penalties if required) and, in some cases, may be invited by GV to act as a member of the Championship Committee. Rules queries and pace of play issues may also be directly determined by a member of the Championship Committee.

Note: There is no right of appeal against any decision given by a Referee or individual member of the Championship Committee.

- (ii) Prior to the final round, Division ladders will be calculated as follows:
 - (a) teams are positioned on their ladder in descending order of contests won;
 - (b) teams tied on contests won are ordered by numbers of matches won;

- (iv) No contest or match wins will be awarded to any team receiving a bye.

6.2 Divisional Winners

- (i) The team in each division winning the most number of contests will win the respective division Cup. Teams winning Division 2 and 3 will be promoted to Division 1 and 2 respectively for the following year's competition and teams finishing on the bottom of the ladder in Division 1 and 2 will be relegated to Division 2 and 3 for the following year's competition respectively.
- (ii) Divisional winning teams will be presented with their respective Cups in recognition of this achievement and Members of the winning teams will be presented with mementos.

In the event of teams still being tied, teams will then be ordered by the number of matches won by the player or players who played in the number 2 position during the current season, and so on until a finishing order is achieved. If teams are still tied after completing this process, the matter will be referred to the Match Committee for decision.

7. Code of Conduct

- (i) All players, caddies and club officials are required to abide by GV's Code of Conduct.
- (ii) In the event that a person is reported for a possible breach of the GV Code of Conduct, such report will be considered by GV's Match Committee.

DIMENSIONS OF LOGO'S IN COMPLIANCE WITH RULES OF AMATEUR STATUS

Clothing including headwear, issued by a commercial sponsor to individual golfers may only bear the small emblem of the clothing or headwear manufacturer, and the event concerned (which may or may not include the logo of the sponsor of the event).

If clothing or headwear is issued by a sponsor to individuals in any event, it must be available to all and not just selected players.

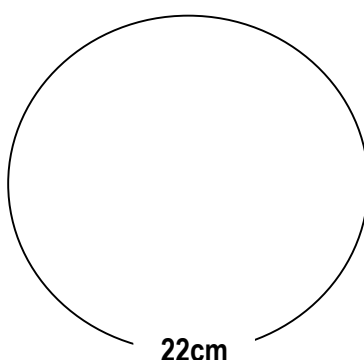

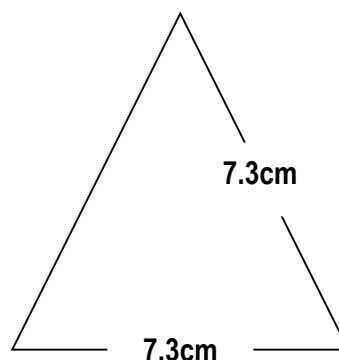

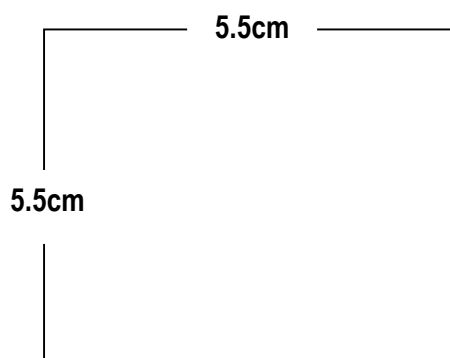

Teams: Where a National, State, District or Club Team is sponsored, the members of the team may have on their uniforms the emblem of the Team (e.g. a golf club logo) and the small name or logo of either or both the sponsor and the manufacturer.

The sponsor's or manufacturer's name or logo must not appear more than once on each garment and must not exceed a cumulative perimeter measurement of 220mm.

Team Managers **must** ensure that players and teams are fully compliant with these requirements.

Please refer to documentation on the Rules of Amateur Status and/or the Decisions on the Rules Amateur Status, which should be readily accessible via your club or district. Copies may be obtained from Golf Victoria at a nominal cost, if required.

(See diagrams below for examples of sizing)

NOTES FOR HOST CLUBS, DISTRICT REPRESENTATIVES AND DISTRICT TEAM MANAGERS

1. Dress Regulations

All players, officials, caddies and supporters are required to observe dress standards and regulations advised by host clubs. Unless otherwise specified by the Host Club, District team playing uniforms are permissible for all after match and official functions.

Where playing uniforms are being worn at after match functions, the condition of the clothing must be maintained at the highest levels. Players with wet or dirty playing uniforms should change prior to entering the clubhouse. **In addition, all players are required to take a change of shoes for wear in the clubhouse.**

2. Course regulations and care

It is the responsibility of all players to observe their obligations as guests during the series.

Golf Victoria and State Level Referees will be monitoring the field during the 2016 Women's Country Teams' Matches to ensure appropriate course etiquette is being adhered to by all players.

While expected levels of Golf Etiquette are fully outlined in Section 1 of the Rules of Golf book, players should give particular attention to the following etiquette issues during Women's Country Teams' Matches:

- The carrying of sand buckets and use of sand to repair all divots.
- The repair of pitch marks on greens.
- The placement of litter in rubbish bins.
- The raking of all bunkers after playing from them.
- Behaviour that distracts the attention of fellow-competitors including the use of audible obscene language and club throwing.
- Non-emergency use of mobile telephones.

Players who are observed to display serious breaches of etiquette may be disqualified in accordance with Rule of Golf 33-7.

In addition, after completion of each round all sand buckets must be returned to sand bucket dispenser units. Under no circumstances must sand buckets be left scattered in the club car park. Players who are observed to leave sand buckets in the club car park will be subject to action in accordance with the Golf Victoria Code of Conduct.

3. Match times and starters

In all divisions, contests are to commence from the starting tees as stated in the draw. All clubs are requested to use the 1st and 10th tees (or equivalent) for Women's Country Teams' Matches.

Team Managers or District Liaison Officers will be rostered to start a tee.

4. **Hole locations and course set-up**

It is the recommendation of Golf Victoria that hole locations (pin positions) be provided to all District teams by host clubs.

The Golf Australia guidelines regarding hole locations should be strongly adhered to for all Women's Country Teams' Matches contests, particularly on days of inclement weather. The guidelines state as follows:

It is strongly recommended that holes should not be placed closer to the edge of the green than 5 metres; they should not be placed in any position in which a player who is on the green has a putt the line of which would take her off the green; they should not be placed on excessive slopes or in tricky positions; the level or slope should be fairly constant in the immediate vicinity of the hole. Consider the holding quality of the green, the length of the shot to the green, the probable conditions for play, and the design of the overall hole.

5. **Practice opportunities**

Practice rounds are not available at the host clubs prior to the competition.

6. **Car parking**

Clubs are requested wherever possible to set aside reserved car parking for Golf Victoria officials.

7. **Scoreboard**

Golf Victoria will provide and maintain a scoreboard in a prominent place, (outside if weather permits) giving a summary of progress in each match. As in past years, the "official" plastic scoresheets will be used for this purpose.

8. **Referees**

It is requested that clubs note the following arrangements in relation to Referees for the 2016 competition:

- (i) Golf Victoria will provide referees for each Women's Country Teams' Matches competition venue.
- (ii) All Referees are responsible for resolving any rules and pace of play issue that is referred to them by competing players or which they become aware of whilst on the course. Clubs should note that, in accordance with Women's Country Teams' Matches Condition No. 4, rules and pace of play decisions made by Referees are final. There is no right of appeal against any decision given by a rules official.
- (iii) The referee may:
 - a) refer the situation to the Championship Committee if he/she requires an additional opinion in relation to a ruling;
 - b) correct or revise an incorrect decision prior to the player playing a stroke.

Note: Notwithstanding individual club policies on mobile telephones, host clubs are requested to permit Team Managers to make telephone calls from the course to the clubhouse for rules/emergency assistance. Two-way radios or mobile telephones should then be used to contact Referees. Such a policy may speed up response times to rules issues.

9. **Results procedure**

Golf Victoria officials will be allocated to each venue, and will be in charge of collating scores as soon as the contests are completed.

10. **Other special arrangements**

It is the responsibility of host clubs to Golf Victoria of any local or other special requirements.

11. **Results and ladders**

All Country Teams results, ladders and feature articles can be found on the following websites:

Results Vault <http://golf.resultsvault.com/> and Golf Victoria www.golfvic.org.au.
