

2016 AUSTRALIAN WOMEN'S SENIOR AMATEUR RANKING SYSTEM

(Conditions for Determining Final Placing) *as at 30/8/16*

Preamble

These conditions relate to the determination of the winner, place getters and other positions for the 2016 Australian Women's Senior Amateur Ranking System upon the conclusion of the ranking period.

1. Eligibility

- 1.1 For players to accrue points towards their 2016 Australian Women's Senior Amateur Ranking, at a Counting Event, they must meet each of the following conditions at the time of the Counting Event:
 - Be a female amateur golfer.
 - Be at least 55 years of age.
 - Conform in all respects to the Rules of Amateur Status as approved by R&A Rules Ltd.

*It is the player's responsibility to ensure GA has their correct date of birth.
- 1.2 Players who breach either the Golf Australia or State or Territory Codes of Conduct, or the Golf Australia Anti Doping Policy may incur penalties which could impact upon their capacity to accrue Ranking Points. Players in breach of either the Code of Conduct or the Anti Doping Policy may be removed from the Australian Amateur Ranking System. Any decision relating to condition 1.2 will be in the sole purview of Golf Australia.
- 1.3 The decision of Golf Australia as to acceptance or refusal of a player's results from Ranking Events for the Ranking System is final.

2. General

- 2.1 Golf Australia will have the sole management and control of the Australian Women's Senior Amateur Ranking System, with full power at any time to alter or vary any one of the Conditions.
- 2.2 Golf Australia's decision on matters affecting the Ranking System will be final.

3. Determining the Winner and Other Finishing Positions

- 3.1 A player's points will be divided by either the minimum divisor of four (4) or the number of events played (whichever is greater). This figure will be the player's Australian Women's Senior Amateur Ranking Average.
- 3.2 After 3.1 has been executed, the player with the highest Australian Women's Senior Amateur Ranking Average for Counting Events played between 1 November 2015 and 31 October 2016, will be the winner of the 2016 Australian Women's Senior Amateur Rankings.
- 3.3 The 1st, 2nd and 3rd place getters will receive a gold, silver and bronze Golf Australia Medallion respectively. The 1st, 2nd and 3rd place getters in the Super Senior category (65 years and over) will receive a gold, silver and bronze Golf Australia Medallion respectively. In the case of ties, joint winners will be awarded.
- 3.4 A player is eligible to win the 2016 Australian Women's Senior Amateur Ranking System if for example they turn 55 between 1 November 2015 and 31 October 2016 as any legitimately accrued points (as per condition 1.1) will become 'live' from the time they turn 55. Similarly, a player is eligible to win the Super Senior category if for example they turn 65 between 1 November 2015 and 31 October 2016 as any legitimately accrued points (as per condition 1.1) will become 'live' for the Super Senior category from the time they turn 65. Points gained by a player 65 years and over continue to remain live for the Australian Senior Ranking System.

NB. The Australian Senior Ranking System takes precedence over the Super Senior category (e.g. a player who finishes 1st in the Super Senior category and finishes 3rd in the Australian Senior Ranking System will be awarded 3rd place in the Australian Senior Ranking System).

4. Australian Women's Amateur Ranking Events and Points Tables

- 4.1 The events listed in 4.10 are the Counting Events for the Australian Women's Senior Amateur Ranking System. Each event includes its approximate weighting. Points will be awarded to each finishing position based on the Stroke Play and Match Play Points Tables.
- 4.2 The actual event weighting will be determined on the starting field for that year, based on the following:
- Australian Women's Senior Amateur is weighted: Qualifying Rounds - six (6); Match Play Rounds – Match five (5)
 - State and Territory Championships are weighted a minimum of: Qualifying Rounds - three (3); Match Play Rounds – Match one (1)

Note i: After the above has been applied, the following criteria are then executed to determine the event's actual weighting. Additionally, if an event includes five (5) or more players (excluding Australians) from the Top 500 of WAGR, the event's weighting will automatically be increased by 1 level.

Note ii: With respect to State and Territory Championships, where the Stroke Play Qualifying Rounds are followed by Match Play Rounds, the Match Play Weighting is two Weightings below the Stroke Play Weighting. Events are considered ONE event with respect to the divisor.

No. of players who compete from the Aust Top 20	No. of players who compete from the Aust Top 100	Actual Weighting
0-4 players		2
4 players	and >25	3
5-9 players		3
9 players	and >25	4
10-14 players		4
14 players	and >25	5
15 or more players		5

Example 1:

WA Women's Senior Amateur

- a. There are 14 players from the top 20 of the Australian Rankings who contest the event;
- b. There are 21 players from the top 100 of the Australian Rankings who contest the event;
- c. Therefore, its Stroke Play Weighting is 4.

Example 2:

NSW Women's Senior Amateur:

- a. There are 9 players from the top 20 of the Australian Rankings who contest the event;
- b. There are 26 players from the top 100 of the Australian Rankings who contest the event;
- c. Therefore, its Stroke Play Weighting is 4 and the Match Play Weighting is 2.

Example 3:

Qld Women's Senior Amateur:

- a. There are 4 players from the top 20 of the Australian Rankings who contest the event;
- b. There are 12 players from the top 100 of the Australian Rankings who contest the event;
- c. Therefore, its Stroke Play Weighting based on the table is 2, however as it is a State Championship and the minimum weighting for the Stroke Play section of a State Championship can be is 3, the Stroke Play Weighting is increased to 3. The Match Play Weighting is 1.

- 4.3 If the number of rounds of a Counting Event is reduced, the following points will be allocated:
- An event reduced from 72 holes to 54 holes: no change
 - An event reduced from 54 holes to 36 holes: no change
 - An event reduced from 72 holes to 36 holes: the points weighting is reduced by 1 level
 - An event reduced to 18 holes: the points weighting is reduced to level 1 (ie 70 points)
- 4.4 Where a Ranking Event is open to players under 55 years, the event must recognise the leading player 55 years or over player. This may be by way of the awarding of a trophy or announcing the 55 years of over winner. Any players who contest the event who are under 55 years will NOT accrue points from that event. In determining positions for Ranking purposes, only players who are 55 years or over will be considered.

- 4.5 Events comprising stroke play rounds followed by match play rounds are considered ONE event with respect to the divisor.
- 4.6 Where an event has more than one Grade/Division (e.g. A Grade, B Grade, etc) only scores from the A Grade players count for Ranking purposes.
- 4.7 Where players finish in tied positions in Counting Events, the points allocated to those finishing positions will be averaged and split evenly among the tied players. Exception: where there is a play-off to determine the winner, the winner of the play-off will be allocated the points for the first position.
- 4.8 If a player is disqualified from a Counting Event, or fails to complete a round without reasonable justification (as determined by Golf Australia), the player will be deemed to have been disqualified which will result in 0 points being allocated and the event counting as a divisor.
- 4.9 a) All National, and State and Territory Championships are automatically granted Ranking Status. For additional events to be granted Ranking Status, the event must:
- Be scheduled to be played over at least 18 holes; and
 - Must not discriminate against categories of players who are eligible for the relevant Australian Ranking System (ie it cannot be restricted to players aged 55-65 years, for example)
- b) An event will be granted Australian Amateur Ranking Status at the discretion of Golf Australia, but must meet the criteria in 4.9a).
- c) It is Golf Australia's intent that a competition with Ranking Event status be open to a significant number of players who are eligible to accrue ranking points. Nonetheless, Golf Australia recognises that this desire is sometimes compromised by the benefits of recognising performance in Open events. Golf Australia will continue to monitor the Ranking Event status of various competitions with this in mind.
